

Upton FFA Chosen as the 2024 Wyoming FFA Chapter of the Year

The Upton FFA Chapter was chosen as the Wyoming FFA Chapter of the Year at the State Convention in Cheyenne this past week. There are sixty chapters in all divisions in the state. Upton has never received this honor before. Advisor Rebecca Kelton said, "I was surprised and excited to win the award. No one really accomplishes this in their first two years of teaching. I was happy to see that the kids' hard work paid off. We have done a lot throughout the year."
