# Fort Worth Decorative Painters is a Chapter of the Society of Decorative Painters Celebrating 30 Years

Y's Lines: Yvonne Lowrie, President 2015

yvonnelowrie@juno.com 817-923-2901

What a fun time the chapter members had painting the skiing snowman taught by LaRue Hughes last month. He skated across the tote bags and into our hearts.

Not sure if that is what caused the weather to be unpredictable the last week of January but the Board Meeting and Let's Paint Together Saturday were canceled/ postponed. However Spring must be around the corner - Day Light Savings Time begins March 8th!

I will be teaching the March project of a Monarch butterfly. In real life they will soon be flying North from Mexico across Texas to Canada. Some members are painting on Memory Boxes. A perfect design for the project.

Judy Wallis is chairing the Memory Box project this year. She will have boxes available at the meeting as the hydrangea design and folk art flowers taught at future meetings will adapt well for the boxes.

Happy Painting! Yvonne

Meeting is March 16, 2015 6:00 Social 6:30 Meeting

FWDP supports the Society of Decorative Painters. Dues are \$50/year. You must be a member of SDP to belong to FWP.

#### Kindness-----"Play it Forward"

During a time of economic crisis and depressing news, two students at Purdue University decided to lift the spirits of people on campus with some encouraging words. For two hours every Wednesday afternoon, they stood along a busy walkway holding a large "Free Compliments" sign and saying nice things to everyone who passed by. "I like your red coat." "Cool snow boots." "Very nice smile." Some students said they deliberately walked past "the compliment guys" every Wednesday just to hear a kind word.

We all need a kind word! . Remember those who are not with us with a phone call or card. It was wonderful to see Jeanette looking so well at our Feb. meeting. Continue to pray for her as well as Jan McCleery and Bettejo Kenaston.

If you know of anyone else who needs a card, please call me.

# Hospitality—Pam Martinez

A BIG thank you to all who participate by supplying items for our Hospitality Table each month. We are a little short on non-sweet items for March.

Sharlene and I will bring non-sweet items.

Armida, Beth and Yvonne will bring sweets.

Needed are at least two other non-sweet dishes.

Remember our hospitality table is only as great as our great members make it.

Always, thank you all for all your help.

Pam

# PROGRAMS By Beth Stodieck

Yvonne Lowrie will be teaching us a butterfly in March. She suggests a background of our choice about 8" in diameter basecoated in a medium dark color. Yvonne's was a medium dark green. The project will just be the butterfly, not the flowers shown on her original piece. You have plenty of time to choose the perfect surface but if you still have no idea what to paint this project on, how about bringing a memory box and donating it to one of our hospitals. I know the parents who receive them would be delighted with this design.

And don't forget to be looking for a surface for the hydrangeas we'll paint in April. It can be any large, round, oval or rectangular wooden or metal surface of your choice, such as a large cheese box, metal tray, canvas, etc., 14" W or larger. You will be doing some basecoating on it before you come to class so you might want to start looking now.

Decorative Painter (hilarious):

Ode To My Wife The Tole Painter by Mollie Perry She learned to paint on Monday. Her strokes were going fine. She forgot to thaw our dinner, So we went out to dine... She painted daisies Tuesday. She says they are a must. They really were quite lovely. But she forgot to dust... On Wednesday it was strawberries. She says the blending's fun. What hi-lites! What shadows! But the laundry wasn't done... Her apples were on Thursday. So juicy, bright and red. I guess she really was engrossed, She never made the bed... It was violets on Friday. In colors she adores. It never bothered her at all. The crumbs on all the floors... I found a maid on Saturday. My week is now complete. My wife can tole the hours away. The house will still be neat. Well, it's already Sunday. But don't call me a saint. Lcursed #X! I raved XXX! I ranted !!

The maid had learned to paint!

# March Project—Monarch Butterfly—Yvonne Lowrie

#### MONARCH BUTTERFLY

Adapted by Yvonne Lowrie from Chicinda and Pat Hooper

Paint Colors: Basecoat: Avocado Green, Hauser Dark Green, Hauser Light Green or

Americana Winter Blue, White, Sapphire or favorite sky colors

Monarch: Light Buttermilk, Yellow Light, Burnt Orange, Black, White

#### Preparation:

Sand, seal, sand wood surfaces. Papier-mache sand if needed. Canvas needs no prep.

Paint with Avocado or Winter Blue using a 1" wash brush. While still wet and with same dirty brush, wash the lower right with Hauser Dark or Sapphire. Between the colors move the brush in all direction to give a motted look. On the upper left of Avocado use Hauser Light Green or the White for the sky moving the brush in all directions for a pleasant fading of color.

When completely dry apply pattern with transfer paper – just the outline of the butterfly – all details will be transferred later. Fill in with Light Buttermilk. The pattern can be centered or at angle according to the size of the surface.

The rest will be done in class.

#### **SCHARFF BRUSHES ORDER INFO**

I have heard back from Scharff and they DO still offer the discount program for Chapters IF we have an order of \$300 retail (\$180 at discount price) or more. If 10 members order \$30 each retail (\$18 discount price), we would have enough for an order. I don't think we could do this often but maybe once or twice a year if there is enough demand. Your discount will be 40% off the retail price and everyone will be asked to add \$3 to your order to cover shipping.

Here's how it will work this time. The link to the Scharff website is below. Go to that site to look at brushes. Use the form I've included to place your order. Leave the "Member Cost" column blank. Bring it to the FEBRUARY MEETING. During the meeting I will tally the orders, figure your final cost and get a check from you if we meet the minimum order. Make your checks out to FWDP and we will send one check for all of us. Scharff has offered to bundle each order separately so they will be easier to distribute at the next meeting. Any extra funds we have left over from shipping will be kept by the Chapter.

Lots of you were asking about the brushes I used at the meeting this week. They were all made by Scharff and I <u>love</u> them. You may find their brushes at <a href="http://artbrush.com/shop/home.php">http://artbrush.com/shop/home.php</a> Below are some of the brushes I have bought from them and notes for some of them. I have bought many more than the ones below but don't have series numbers in front of me now. I have never been disappointed in a Scharff brush.

If you will fill out the order form on the next page, you can bring the order form to the February meeting, I will figure out costs, including the Chapter discount. During the meeting you can write the Chapter a check before you leave and I will place the order. We will add \$3 per order to cover shipping.

White Bristle Moon Filbert Set - Series 222 - SKU 9210

Series 100, 102, 105, 110, 115, 120, 125 - Great oil brushes

Series 210, 215, 220, 225, 235, 237, 240 - good bristle brushes for difficult surfaces

Series 285 - white nylon moon scrubber - SKU 1285-001 - The only use I have found for these brushes is to scrub out mistakes on watercolor. They are too stiff for acrylic or drybrushing.

Series 425 - Golden Taklon Moon Filberts - Good for drybrushing on acrylic surfaces

Series 850 - Mold Duster - Great mop brush for blending like Lynne Andrews does.

Series 1440, 1450, 1460 - Ronnie Bringle series - good acrylic detail brushes.

#### Brush Tips from Scharff:

- Always clean your brushes immediately after every use.
- Never let the paint dry on your brush.
- Never use the cleaning tubs with a rippled bottom. This is not the proper way to clean your brushes. It is a very good way to ruin your brushes.
- Do not let a brush stand in water or cleaning solvents for any length of time. This will cause the liquid to leach into the handle and swelling will occur in the wood. This will lead to the paint chipping off and the ferrule becoming loose.
- Always clean your brushes with the appropriate solutions. Acrylics can be cleaned with a mild household liquid detergent. Many oil and lacquer materials will have a recommended cleaning solution for their particular products.
- After thoroughly cleaning your brushes, store them lying flat or with the ferrules up. Never store your brushes on the hair.
- A light coating of hair spray can be applied to the bristles to help hold the brush in shape for extended periods of storage.
- Take care of your brush and it will perform well for many uses.

#### **CHOCOLATE MAYONNAISE CAKE**

Posted on April 22, 2013 by The Southern Lady

This cake has been around for a long time. I can remember my mother making it years ago but she used salad dressing in hers instead of mayonnaise. It is so easy to make and so good. Wonderful with coffee and a great dessert or snack anytime.

2 cups all-purpose flour

2 teaspoons baking soda

1 cup sugar

1/2 cup 100% pure cocoa

1 1/2 teaspoons vanilla extract

1 cup water

1 1/4 cups mayonnaise (You can use low-fat)

1/2 to 1 cup nuts of your choice. Optional

Whisk together flour, baking soda, sugar, and cocoa. In another bowl whisk together the vanilla extract, water, and mayonnaise until it looks like milk. Pour mayonnaise mixture into flour mixture and mix well with a spoon. (Could use mixer, too). Fold in nuts. Pour into a well-sprayed Bundt pan. Bake in preheated 350 degree oven for 40-45 minutes checking for doneness. (You can make this in a 9 x 13 pan but cut the cooking time to 30 to 35 minutes.) Let cool about 10 to 12 minutes before removing from pan. (You could also add chocolate chips to this cake). Frost with your favorite icing or sprinkle with powdered sugar. This cake is good with cream cheese frosting recipe below, too. Great with ice cream or whipped cream as well.

Members would like the potato casserole from the February meeting. If you brought it would you please send me the recipe. Thanks.
