Please do **NOT** prop open
any of the exterior doors.

We have little ones that
we want to keep safe and

Morning Routines:

Why do we have the children wash
their hands immediately upon en-

*It has been effective in helping
reduce the spread of germs among
the children and in the classrooms.*

MONTHLY TUITION PAYMENTS

Tuition is due on the 1st of each
month for the current month,
and is not considered late until
the 16th. A \$25 late fee will be
charged for any overdue balance.

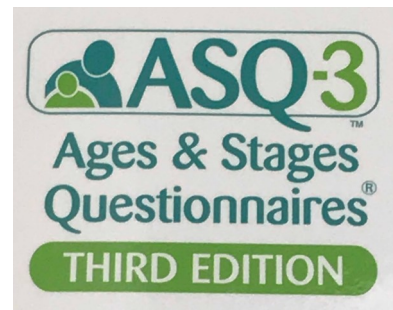

Our school will be participating in a Little Caesars Fundraiser. The fundraiser runs from October 18th to November 17th. This will be a totally online system. There will be pizza kits to purchase just in time for Halloween and the busy holiday season approaching. The kits will be shipped directly to the purchaser allowing relatives and friends from out of town to order! You will receive an email from the office with a link to set up your online seller account a few days prior to October 18th. Thank you, in advance, for supporting our program.

What does the teacher mean by the word, Redirection?

Redirection is defined as: “to change the direction or focus.” In the preschool classroom, redirection is the first tool utilized by the teacher to guide behavior. An example is, he redirected the children’s energies toward building a sandcastle instead of throwing sand at each other. Please refer to your Family Handbook, pg. 6, for more information on our Discipline Policy.

Ages & Stages Questionnaires Headed Your Way!

You should have received two developmental screeners, the ASQ-3 and ASQ-SE. These questionnaires will need to be completed and returned by the date indicated on the accompanying cover letter. The information gathered from these tools assists “in the early and accurate identification of young children who may have developmental delays or disorders and is key to the timely delivery of early intervention services.” Once you have received your packet please do not hesitate to contact your child’s teacher or the preschool office if you have any further questions. Thank you for your cooperation.

Pumpkin Farm

For the very first time **ALL** of our classes will be headed to the Pumpkin farm on the **SAME** day, Oct. 19th! We will have Bowles Farm all to ourselves. Since this will occur on a Thursday, the 4’s will adjust their schedules a bit and come Thursday and not on Friday. The Monday/Tuesday 2’s will not come on Tuesday and come on Thursday. This fun day includes a hay-ride, petting zoo, corn maze, and of course choosing a favorite pumpkin from the patch. Flyers with permission slips will be sent home. Rain date Oct. 26.

HARVEST PARTIES

On October 30 & 31 the 4’s and 3’s classes will be celebrating fall with Harvest parties. If you signed up at orientation to donate an item for the party you will be notified by the preschool office. Parties will take place in Fellowship Hall 2 downstairs. The **4’s families** are invited from 12:30—1:00. for a special Harvest craft. Our **3’s families** are invited from 12:45-1pm while the children enjoy their special snack. No lunches will be needed on that day! Children should be dressed in regular or fun Halloween clothes; NO costumes please!
