PHOTO CONTEST ENTRY ~ JANICE ZABEL

*Hernando Beach Property Owners Association Newsletter ~ March 2018*

## **PRESIDENT'S MESSAGE MARCH 2018**

Another month gone by and days got longer, weather got colder but the sunshine still remained. Well, we did get a few days of rain but like always this is good for the soil, plants, trees.

I am so impressed by the turn out that we are getting at our Association Meetings and I truly hope this continues throughout the year. I remember a time when we only had 30 or 34 people attending and now we have 60 to 70 attend! That is fantastic. We have so many things going on and so much to share and what better way to hear all this but attend an Association Meeting. So keep up the good work!

I was proud to install our Association Treasurer Margo McConnell at our February 1<sup>st</sup> meeting. Now our entire Association Board for

Our next meeting will be held **Thursday, March 1st, at 7:00pm** at the **HB Coast Guard Auxiliary**, doors open at 6:45pm.

2018 is in place.

We had our 3 volunteers Cathy and Bill Jasper and Bud Frase conduct the audit for 2017 and as reported all is good. Thank you to these 3 volunteers for doing this and thank you to Margo McConnell for keeping such great records. All the auditors stated that it was so easy to audit because everything was in order and recorded as it should be.

Speaking of volunteers everyone knows that your Association Board Members and all your Committee Members are volunteers. We do this because we want to and do it for the community.

Do you like the look of the Triangle with all it's pretty plants? How about the Dolphins on 19 at the stop-light? Did you just move to the beach and were you surprised when you got welcomed to Hernando Beach not only at an association meeting but with a note welcoming you, telling you all about all the different web sites, getting a Welcome Bag to you? Did you like the Ice Cream Social in September and how about that great Holiday Party? Isn't it nice to come to an Association Meeting now and grab a cookie or a donut?

We have several Committees and are always looking for new volunteers so if you feel you can give a little of your time please join. At our March and April meetings we will have sign up sheets so come and be a part of our teams. Yes it is a lot of work at times but it is also a lot of fun working side by side with your neighbors.

I mentioned that we have a lot of things going on and as you know the biggest item is our 50%/5-Year Cumulative Rule. We held 2 Community Meetings in Hernando Beach and with the assistance on passing the word on even held 3 Coastal meetings for residents of Weeki Wachee, Aripeka and Ridge Manor. It amazed us how this has slipped by everyone. Thanks to Steve and Pat Barton for bringing this to our attention and in turn the HBPOA go involved and communicated and educated everyone on this critical issue. I know as I stood at the Community Meetings and looked out at the faces all I saw was shock when hearing that any of us can lose our homes should this get passed.

Steve and Pat Barton, Margo McConnell, Gladys Moore, John Paul Reeve, Chuck Greenwell, Diane Greenwell, your HBPOA Board have all put in numerous hours researching, going to meetings, documenting information, posting information, putting together presentations, sending information to members and many non-members so that each and every individual hears about this and knows the details. Now the

whole community and coastal residents are uniting to go to the BOCC meeting on February 13<sup>th</sup> to let the commissioners just how we feel and hope that they will support us in this and eliminate the 5-Year Cumulative and change to "per event". With the reaction from the meetings I think that building will be way over the fire code once everyone shows up for this meeting.

I know I have said this before and because of my passion to all this I will continue to say this. Our Association dues are only \$25 for the year. You get a copy of our newsletter The BeachComber each month when you join. If you join for the first time you also receive a coupon book for businesses and restaurants in the area. Most of all though you are a part of this civic organization that stands up for issues that concern our community, not only the residents and property owners but the businesses. It is our mission to make sure that things like this 50% rule are communicated. Many of our board members spend hours attending BOCC meetings and listening to items brought up and discussed and to go to meetings such as Port Authority and other meetings with county officials and learn about what is going on or should be going on and then come back and share with you.

So far this year we have added 9 new members.

## MINUTES OF THE HBPOA MEETING, COAST GUARD BUILDING FEBRUARY 1, 2018 @ 7PM

The monthly meeting of HBPOA was called to order at 7:10 PM by Kathy Frase, President, who then led all present in the Pledge of Allegiance. After a general welcome, Kathy proceeded to welcome our newly signed-up members:

Mark & Lois Manos, Louis & Lucy DeVico, Susan & Jim Henry, Jesse & Carolyn Manno, Richard & Diana Frederick, and Sandra & Thomas O'Donnell. All were given enthusiastic applause to add a warm welcome from fellow residents!

The next item of business was the installation of Margo McConnell, our treasurer, since she had been unable to attend the installation in January. This was done by our president.

Our scheduled speakers for tonight, Cecilia Patella and Chuck Morton of Emergency Management had to cancel at the last minute and have been rescheduled for the March meeting.

A motion was called for to accept the January minutes as published in the Beach-comber. Fran Baird moved, Benny Martinez seconded and the motion carried.

Bill Jasper, on behalf of the appointed audit committee of the treasurer's records, reported that the records were in an impeccably well organized and accurate state and highly praised the efforts

and abilities of our treasurer, Margo McConnell.

The treasurer's report was then given by Margo as follows:

Balance on hand as of January 31, 2018, for the combined funds of our general account and our entranceway account was \$22,786.89. These funds from now on will be combined and reported on as such. Margo also shared the 2018 Plan for the management of our finances and the final results from 2017. A call was made for a motion to adopt the projected budget as presented. Benny Martinez so moved and Cathy Jasper seconded the motion which passed. All members present had the opportunity to review the proposed budget when Margo explained it.

Kathy explained to the membership that starting with this meeting, our directors will be seated at a table up front with name signs so that everyone is aware of who our directors are.

### REPORTS:

Landscaping.....Gladys Moore happily reported that the persistent leak at the Osawaw-19 area has been discovered and apparently repaired as evidenced by the improved and stable water level in the fountain! She sadly reported that many plants at both sites were hit hard by the frost and some major cleanup will be needed this month. She encouraged any and all who are in need of some good exercise for a worthy cause to come out and help when the call goes out!

Hospitality.....Kathy Frase first invited any interested members who would like to serve on a committee to speak up and join up, not only to help our community in many ways but also for a real sense of making a difference. As part of her report on the committee, she explained that they are going to try to give out the welcome bags here at our monthly meeting as new members sign up instead of trying to catch all the new residents since there seem to be a lot of new homes and new residents, making the task of catching everyone rather daunting. Kathy also reiterated how that we are in constant need of new members and what the process is for joining our membership.

Beachcomber.....Jen Brown shared that 4 pages (color) have been added to the magazine and encouraged anyone who has photos or articles with photos, etc., to contact her (contact info in publication). She also reminded us that, as always, the cutoff date for the next month's publication remains the 10<sup>th</sup> of each month.

Crime Watch.....Toby Wightman reminded us that Crime Watch is under the auspices of Hernando County Law Enforcement and receives no funding but is dependent upon the generosity of donors for money as well as time spent volunteering (always need new ones). He reported that the new slate of officers are George Daly, Pres.; Carol Manno, VP; Kristie Dietz, Sec.; and Kelly Reeves, Treas. Their meetings are normally held on the second Wednesday of each month at the VFW at 7 PM. There have been a number of incidents of cars left unlocked on the street being plundered through with items taken and residents were encouraged to always keep their cars locked when they are accessible to others.

Port Authority.....Benny Martinez shared that he had attended the January meeting and was so interested in all that there is to be learned at these meetings. At the last meeting a number of important issues were discussed: sediment control of the river and Rodgers Park area; canal dredging on Pine Island Project to soon begin; saving sea turtles during the cold weather; shallow reef status; and the reef ball project. Many

have been set out but a lot more are needed and are available for individuals to fund. Benny emphasized how informational the meetings always are and really encouraged any residents to come out.

GAC.....Chuck Greenwell began by emphasizing some important upcoming dates: 2/10 @ 7PM at the Coast Guard Building for the Public Inquiry Workshop on the Motel Variance; 2/13 @ 8:30AM , BOCC hearing re the 50% rule; and 3/6, BOCC hearing on the 2040 Plan. Chuck emphasized that we need to have a large showing of our residents at the BOCC meeting on 2/13 and that we further need another community meeting very soon to plan the logistics so that we present an organized and unified group in the interest of truly making our wishes known to the BOCC. The date and time will be posted as soon as it's confirmed on Hernando Beach Nextdoor. The main objective is to get the time frame down to a single event, related to disaster and nothing else. Chuck stated that the GAC has several agenda objectives that they will be working on. The first is that all public notices of all BOCC pending hearings are published on their public relations site for any resident to see and have an opportunity to attend. The lack of awareness about the 50% rule when it was passed by our BOCC in 2014 meant that the residents who stood to be adversely affected by such an ordinance had no opportunity to even know about this much less have the opportunity to express an opinion. The second need is for there to be a published glossary of acronyms and definition terms commonly used by our government.

#### OLD BUSINESS:

Kathy reminded all members that dues are now due and the deadline for renewal is 2/28/18.

#### NEW BUSINESS;

Kathy announced several meeting coming up re the 50% rule which will have occurred before the time of this publication. There followed a lot more questions and discussion on this very important issue. John Paul Reeve made the motion that as a community we go on record as supporting the repeal of the County Ordinance pertaining to the 5 year,50% Cumulative Damage/Substantial Improvement Rule. The motion was

## HERNANDO COUNTY FIRST RESPONDERS RECEIVE SPECIALTY TRAINING IN LARGE ANIMAL TECHNICAL RESCUE

As part of Hernando County's continuing efforts to be prepared to respond to calls for assistance from an all hazards perspective, members of Hernando County Fire Rescue (HCFR), Hernando County Sheriff's Office (HCSO) and Hernando County Emergency Management

(HCEM) received training in large animal technical rescue this past weekend.

The University of Florida School of Veterinary Medicine provided the two-day Large Animal Technical Rescue Course. With the support and coordination of HCEM, responders from HCFR and HCSO received this specialty training to be better prepared to mitigate these

types of emergencies.

Hernando County is home to many rural areas with many large animals, such as horses, cattle and the like. Major highways traverse our county that transport livestock. There are times when these animals are involved in incidents and just as humans may need rescue, so may animals and pets. A few examples would be motor vehicle accidents involving livestock trailers, large and small wildlife, livestock and pets trapped in mud holes, sinkholes, trenches or other similar confined spaces. During these events the animal may have sustained injuries, therefore training and planning in delivering care was also presented.

Our goal is to obtain the best possible outcome for the animal in need of assistance, while ultimately protecting the life and limb of those helping an animal in distress and the animal itself.

## CHILD ADVOCATE VOLUNTEERS SOUGHT FOR GUARDIAN AD LITEM PROGRAM

(Brooksville, FL) The Guardian ad Litem (GAL) program is currently seeking volunteers to be a voice for abused, neglected or abandoned children whose cases are in the court system.

The Guardian ad Litem (GAL) program is a State- and County-funded volunteer-based organization that trains lay persons to advocate for the best interests of abused and neglected children. It exists throughout the nation and all 67 Florida counties.

Volunteers work as a part of a team. They are assigned to a human service supervisor and attorney. They gather information needed to make sound, commonsense recommendations to the court. Although the child's safety is priority one, volunteers must consider the importance of familial connections, friendships and the child's wishes and desires.

Independent research has shown that children with a GAL volunteer are substantially less likely to spend time in long-term foster care and reenter care. Children, who have exited the dependency system, often say that were it not for their GAL, they don't know how they would have made it through such a traumatic experience.

At present, more than 2,100 children are part of the Dependency Court System in the 5th Circuit which includes Marion, Lake, Hernando, Citrus and Sumter counties. Regrettably, due to the lack of volunteers, not all of these children receive our services.

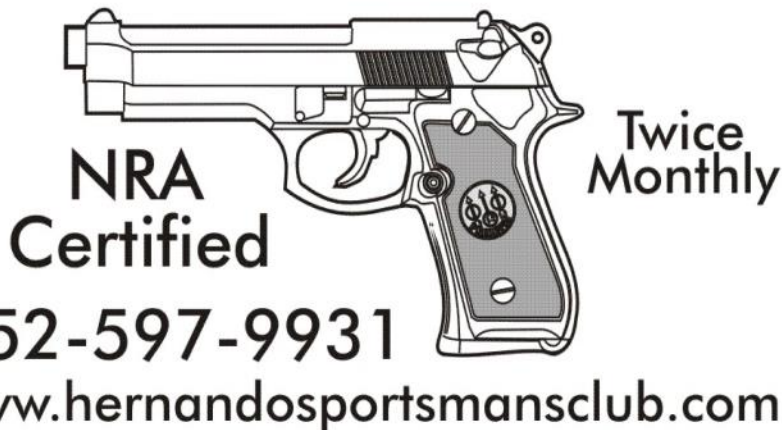

If you are interested in making this cause "your cause," become a Guardian ad Litem volunteer. Contact Diana Hollwedel at (352) 812-6971 or e-mail [diana.hollwedel@gal.fl.gov](mailto:diana.hollwedel@gal.fl.gov). A free volunteer training will be held March 8 through the 10 in Weeki Wachee, Florida. Pre-registration is necessary as space is limited.

Visit [www.guardianadlitem.org](http://www.guardianadlitem.org) to learn more about the Guardian ad Litem Program.
