As of the Annual Meeting and the Board of Directors meeting following the Annual Meeting the following changes have occurred with the Board of Directors.

We would like to welcome Danny Fontana to the board. He is replacing Glen Ganz as Director At Large for District 3 which represents Sections 6, 7 & 8 with Lots #421-437/481-668 and Tract 2. Glen decided to retire from the board after 25 years and chose not to run for re-election. Glen has served this community in various offices, Vice-President, Maintenance Director and Co-Maintenance Director. We are so grateful and thankful for the endless volunteer hours he has given us along with his leadership especially to such projects as the dredging pilot of Robinson Pond, the upgrade to the TSPOA Water System and overseeing of Maintenance for his entire tenure. You will be missed Glen!

As directed by our By-Laws, the board held a meeting immediately following the Annual Meeting to select its officers. At this meeting Shawn McClain, Board President, stated he no longer wished to serve the community as Board President and would like to pass the torch on. He nominated Rob Weingaertner to be President having worked closely with him over the years in his various roles and most directly in his role as Vice-President. Shawn has served the TSPOA community for 25 years, 18 as President and he plans to support Rob over the next year if voted in as President. The board unanimously voted to approve Rob Weingaertner as President. Rob Weingaertner nominated Shawn to be Vice-President and Co-Maintenance Director. The board unanimously voted to approve Shawn McClain as Vice-President and Co-Maintenance Director. The board voted and approved the remaining offices remain the same. Danny Fontana, as a new member to the board will not immediately hold an office allowing him time to experience being on the board and learning how each officer works for the association.

The following are the new list of Officers:

Robert Weingaertner – President & Office Manager

Shawn McClain – Vice-President & Co-Maintenance Director

We also have sad news to report having learned that Harvey Weber has passed away.
