

Unbelievable, Impossible But Do-able!

Mark 11:23-24 NIV

Faith see the invisible, believes the unbelievable, and receives the impossible.

Corrie Ten Boom

In the above quote written by Corrie Ten Boom faith sees but faith just doesn't merely see, according to Jesus in Mark 11, faith also speaks! Beginning in Genesis you read that the Kingdom of God is voice activated. God spoke the world into existence and Jesus instructs that faith should also speak. Just as faith activates the Kingdom of God the kingdom of darkness is also voice activated. (See Proverbs 18:21) Jesus gives you access to overcome evil in this world. You need to work the Word and not let the world work you!

Shake Off The Pig Pens

This sermon should bring out revelation which should produce change, revelation is beyond knowing information but brings about transformation. Revelation can not be learned but is given through the Holy Spirit. This is not new information but revelation takes information to the next level of knowing it will highlight and enlarge what God has already told you.

Take off the limitations. Your circumstances do not dictate what God is able to do. Shake off the people, the thoughts, the negative speaking and anything else that is limiting your faith. The more the situation seems impossible the more you should be expecting God to show up. Speak without doubt! Complaining activates darkness and praise activates the Kingdom of God. God is going to do it! God doesn't care what the facts state. He cares what your faith activates. Deal with your situation by the word of God.

You may be dealing with a financial hardship and God tells you in His Word to be a giver (Malachi 3:11) and then speak; remind God that He says in Malachi that He will bless you and rebuke the devourer for your sake. If you are facing an illness (Isaiah 53:5) speak; by His stripes you are healed and receive your healing.

## You Are Ready For The Next Level

God is moving you beyond your current level of growth. He's now moving you to the next level of sanctification or growing you up from a baby Christian to deepen your level of understanding of your purpose and His plan. He is developing a deeper relationship with you and you are ready for this next level. He is ready for you to realize on a deeper level that not only is your prayer life important but what you say is equally important. If you want to defeat the devil in your life, learn the Word! James 4:7 says to submit yourself to God, this means to go under. When you have taken a position under God then you will be able to resist the devil and then he will flee from you. No matter what you are facing God will make you come out a champion. Do your part, make yourself available to God everything will work out. Speak with authority and command the blessings of God over your situation. Say it and mean it. Allow God to build your faith (see Romans 1:17). The Word of God you sow by speaking will have a positive return. (See Galatians 6:7-10)

## Watch Your Frequency

Spend time in the Word consistently. Time with God is vital to your graduating to the next level, this is your own personal time with Him. You are not required to spend time with God like anyone else. You have been created and designed uniquely so He is not requiring you to be like anyone else. He is asking you to be available and He is asking you to be the best you. God is with you, for you and when you allow Him to have one on one time He will develop you for His glory. Your new season is here and you are ready just allow yourself to be available!
