Have your employee fill it out.

Send to: Return all applications to Charlotte Besch by:
Fax: 501-569-3364
Email: cabesch@midsouth.ualr.edu

Deadline: Deadline for applications is July 14.

Review: The Division of Aging, Adult and Behavioral Health Services will review and approve each application. Application notifications will be sent to you.

Training:

This is the core training for peer specialists. It is from the Appalachian Consulting Group and is recognized as one the main trainings in the country in peer support. I have attached a brief summary of the training to this email.

The training is 6 hours per day for 4 days. Each module in the training is one-hour long.

MidSOUTH is partnering with the Mental Health Council of Arkansas to organize this event.

I will send directions and other information about the training once the application is received.

Please take advantage of this wonderful opportunity. Also let me know if you have any questions or concerns.
