A Day with the Doctors is a **FREE** one-day interactive program that offers high school students who have an interest in becoming a physician, an opportunity to experience doctors' daily activities and life on LSU Health's Shreveport and New Orleans and Tulane School of Medicine campuses. Students learn diagnostic skills such as taking blood pressure, listening to heart sounds, taking a radial pulse, measuring respiratory rate and listening to breath sounds.

Participants have the opportunity to interact with physicians and medical students where they discover admission requirements for medical school and explore the life of a medical student.

High school students currently enrolled as a junior or senior who have an interest in becoming a doctor may apply. Students must have at least a cumulative **3.0** grade point average. Additional program information is available online at

www.clahec.org.

**** Central LA AHEC provides transportation to and from the medical school. Students are responsible for transportation to and from the designated pick-up/drop-off locations. ****
