MARCH MEETING NOTES

The next high power rifle match will be Sunday April 2nd. This is an 80 shot match: 20 shots standing and 20 shots sitting rapid fire (200 yards), 20 shots prone rapid fire (300 yards), and 20 shots prone slow fire from 600 yards. If you are interested in participating or have questions, contact match director Bob Wendt at 253-848-6325.

Hunter education classes are filling up fast. Anyone interested in attending a class must book a seat online. Visit the Washington Department of Fish and Wildlife (WDFW) website to sign up. <http://wdfw.wa.gov/hunting/huntered/>. If you have any questions, please contact Rocky Walston at 253-255-2292 or Marty Kotzke at 425-466-9092.

The smallbore season wraps up this month with the final match and season ending banquet. The summer smallbore league will start Monday, June 5th running thru August. Bob Wendt can answer any questions if you are interested in shooting in the league.

On Saturday, April 15th, our club will host the Youth Hunter Education Challenge. See the flier on page 4. **All ranges will be closed that day for this event.** This is an opportunity for those under 18 years old and who have passed the hunter education course, to learn and compete, with the five top competitors going to Raton, New Mexico July 24th thru the 28th to compete against other finalists.

VP Chip Kormas has asked that any chairpersons or match directors using the clubhouse for meetings or classes to please clean up after themselves when they are finished. All chairs and tables should be put back, trash picked up and the floor swept if necessary.

JUNIORS

Doug Shellenberger

The indoor season is about over for the year. We will soon move out to the rifle range for our Tuesday night shoots.

A few of our junior shooters have had success in the recent state matches. Combined results from the Spokane and Littlerock matches had Alec Patajo coming in 4th in Master class, Emme Nelson 3rd and Emma Goist 4th in the Expert class. Match results can be found on the [Orion scoring website](#).

NEW BUILDING UPDATE

We are still finding issues with the new clubhouse that need to be corrected by the builder. Progress is being made little by little as things are corrected and removed from the punch list. We are in the process of purchasing a couple of new safes, some shelving and storage cabinets, a trophy case and a bunch of miscellaneous items needed to make the building usable. The turn-around required by the fire department has been installed and all of the water has been connected and is working. Plans for landscaping are being discussed. There is a lot of work being done behind the scenes as the building committee tries to get the building complete.

MEMBERSHIP SUSPENSION

At the January Board of Directors meeting, the board decided to suspend acceptance of new membership applications until the current backlog subsides. Anyone currently on the waiting list will be processed as scheduled. When the list is cleared off, we will resume acceptance of applications.

CALLING ALL 22 RIFLE SHOOTERS

Mitch Migliaccio will be hosting a 22 rimfire rifle match this July. The match will have two classes, one for target grade rifles and one for regular sporter rifles. Targets will be shot at 100 yards as well as out to 200 yards (yes, that is a long way to shoot 22 RF!). This will be a fun match, and since we all have 22 rimfire rifles, it will be a good chance to test your abilities and try your hand against other shooters. There is still plenty of time to get your sight settings before the match. I will pass along more information closer to the match date.

CARETAKERS REPORT

Doug Shellenberger

We have firewood available again. It is in log form ready to be cut up and hauled off by anyone wanting to stock up for next winter. A pick-up truck load is only \$40. Give me a call or see me at the range if you are interested in buying some.

The squatters who had set up a camp outside our west fence line have finally moved on. Unfortunately, they left behind a huge pile of trash for someone else to clean up.

A trench for new conduit along the driveway was dug and a new pole set last week for a new gate controller cable. The cable should be installed sometime next week.

COWBOY ACTION SHOOTING

Have you ever wanted to play cowboy or cowgirl again? A few club members are exploring interest in resurrecting Cowboy Action Shooting. This fun activity involves shooting two single action revolvers, one lever action rifle firing pistol caliber ammo and a double barrel (or Winchester 1897 pump) shotgun at steel targets. Wild Bunch matches, using .45acp 1911 pistols maybe also be an option. If interested please contact:

We put 17 entries across the line this month. Weather was in the 45 degree range with overcast skies most of the day with a few intermittent sun breaks.

Steve Bishop made the trek over from Yakima. Joe Cullison from Sweet Home, Oregon also made the trek to shoot with us. On to the results of the match.

We had two 40's this month, the first shot by Steve Bishop with a UAS-Int, 40 and the second shot by myself with a U-Int, 40. Vince Leete posted a U-AAA, 35 followed by Richard Nicol and Joe Stumpf both with a U-AAA, 32. Nice shooting guys. In Production Joe Cullison led the pack with a P-Int, 38. Richard Nicol posted a P-AAA, 29 followed by Joe Stumpf with a P-AA, 26 using his FA revolver. In revolver we had two R-Int, 35's. The first shot by myself and the second shot by Joe Cullison. Steve Bishop posted a R-AAA, 25 and Joe Stumpf posted a R-AA, 26. Only one standing entry this month, Joe Cullison posted a S-Int, 28.

In Half scale Vince Leete posted a very nice UHSAS-AA, 36.

On the Field Pistol side Vince Leete was the lone entry posting a PAS-AAA, 30.

Our target setters did a fantastic job getting our targets set. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.
