## President Letter – August 2018

### Sun Prairie and Meant to Bead

The only update on the status of Meant to Bead I have is that it is still closed and that the landlord needs to make some repairs and the building has to be inspected and get an occupancy certificate. The natural gas leak and explosion happened on July 10<sup>th</sup>. I know Shannon and her employees and customers got out safely but I'm sure she can't wait to reopen.

We want you to open a.s.a.p. too Shannon! Keep posting updates.

### August 27th Meeting: Annual Elections and Mystery Project

**Location:** Alicia Ashman Library, 733 N. High Point Rd., 6:30-8:30 p.m.

(6:00 p.m. Board meeting)

Yes, it's election time again, happens every year. I don't know what to say to encourage you to come to this meeting. We need your input, energy, and ideas. Speaking for myself, if I don't see people coming to meetings, I wonder why we still exist? I'm not asking you to take on an officer position, I'm asking for demonstration of an interest in keeping MBS going.

The mystery project is small and the only supplies you need to bring are 4 lb Fireline and a needle (size 12 recommended). The first 10 members to arrive will get a free kit.

Door prizes too.

### Membership Renewal

It's also time to renew your membership. No change in dues from last year. A separate email will go out with that information.

If you can't make it to the Aug. 27<sup>th</sup> meeting, because I know people can't make it to every meeting, let me know you're still interested by renewing your membership or send me an email with suggestions, ideas, questions, etc.

Thanks for listening and happy beading!
