

Aurora firefighters hold 10th annual Turkey Bowl football game

Aurora firefighters got up early for their 10th annual Turkey Bowl football game Thanksgiving morning at Hupp Park in Aurora.

Third-shift firefighters donned red jerseys for the contest with first-shift counterparts in yellow jerseys to relive younger days on the gridiron.

Red team members, quarterbacked by Shane Cummins, prevailed 27-19 to claim a trophy. Cummins was among about 30 participants in the event.

Families and friends in lawn chairs and blankets lined the sideline to provide moral support and refreshments.
