# newsletter SEPTEMBER

St. Elizaebth-Ann Seton Preschool 2019-2020

## parent chats

Welcome! It is super exciting to begin the new school year! Here are a few reminders about the importance of consistency for preschool children. These are key elements to keeping their brains and bodies at ready to learn and play. Be sure to establish and stick to a consistent routine. The kiddos need plenty of sleep and to arrive to school on time. Ensure they eat healthy and keep a predictable daily schedule. Give yourself and your child(ren) lots of time so that the hectic rush is eliminated and they can be calm and ready for the day. Don't forget to sit down without distraction and have dinner together. Ask them about their day and go through their papers! They'll be working hard and love to share.

to do
