

MANDEVILLE HIGH SCHOOL SKIPPER BAND

CORPORATE SPONSORSHIP INFORMATION: 2019-2020

CONTACT: Sponsorship & Fundraising Chair – Melanie Geier: (504) 495-2820

In existence for over 50 years, the Mandeville High School Skipper Band continues to strive to expand its programs and offerings for our students. There are currently over 150 students in the MHS Skipper Band and it is the hard work and dedication of these students that makes this band such a phenomenal success every year.

**MHS Band Director:
Rossi DiBenedetto**

**Assistant
MHS Band Director:
Joshua Stearman**

The mission of the MHS Band Program is to provide opportunities for students to acquire life skills that will help them mature and become productive members of society. Through participation in MHS Band, students learn cooperation, humility, time management, dedication, teamwork, responsibility, and leadership. The study of music has also been proven to increase spatial intelligence necessary for mathematics, improve recall and retention of verbal information, and strengthen perseverance, thereby increasing the academic successes of our students. Many of our students attend college band programs throughout the state and nation after their high school careers, including LSU, SLU, Tulane, ULL, Louisiana Tech, ULM, and Northwestern.

Our marching band, color guard, concert bands, and jazz ensemble continue to grow which requires more instruments, uniforms, sheet music, storage, transportation, and many other necessities. In order to accomplish our mission, we rely on the generosity of individuals and businesses in our community for support. Each year, we set our goals high and we hope that you will be able to contribute to the success and attainment of those goals.

Every year the MHS Skipper Band attends and participates in approximately 10 to 20 events and competitions, both in and out of state, and several Mardi Gras parades. Each of these events attracts thousands of spectators, who see our Skipper Band perform. At the annual Louisiana Showcase of Marching Bands Championships in Lafayette, the band is exposed to crowds in excess of 30,000.

WHY BE A SKIPPER BAND SPONSOR???

With the many activities planned for the coming year, and with fuel costs increasing the price for transportation, we are going to need strong support from our community. In turn, we will place ads in our publications and create name recognition for those businesses and individuals who support us. We strongly encourage all band parents to support the companies and thank those individuals who have extended their generosity and believe in our children.

Apart from being able to say, “***I am with the band!***” your generous support will go far in helping this program remain an important aspect of so many young people’s lives. Plus, you’ll get valuable recognition in the community! The Mandeville High School Band season runs from August thru May each school year.

As a Mandeville High School Band Sponsor, you will be recognized according to the sponsorship level you choose, and [your donation is tax deductible.](#) Our Sponsorship program has several levels of participation and all levels are based on contribution amounts. [Which one is best for you?](#)
