

PITTSBURGH PREDATORS PARTICIPATION AGREEMENT

First of all, let us thank you for taking time to try out of for the Pittsburgh Predators Softball organization. We pride ourselves in excellence on and off the field. The following is an information guideline regarding today's try outs as well as the expectations should you be picked for a team.

For tryouts, you will be scored on the following: Fielding fly and ground balls, bunting, hitting, base running and throwing strength and accuracy. Scores will not be the only factor considered in making our decision. Attitudes, interaction with others and a desire to be on the field will also be observed. Please inform the team representative if you are a pitcher or catcher so additional time may be given for a warmup. Only 1 tryout is required, but it is recommended to attend at least 2 tryouts. An additional tryout or interview may be required to set our final roster.

You will be assigned a number and given a back tag. Please make sure your back tag and number on your application match. Also please return your back tag at the end of your tryout to the team representative.

We will offer final roster positions within 3 days of the last tryout session. Should you be offered a spot on the Pittsburgh Predators and accept, a \$300 nonrefundable commitment fee will be due within 7 days to secure your roster spot. Player fees for the season will be \$1300 which includes the commitment fee as well as 2 mandatory raffle ticket sales. The player fees will cover expenses including uniforms and tournament fees. New players also receive a team helmet and bat bag. Helmets are replaced every third year. The mandatory fundraisers will cover all fees associated with the training and winter practice facilities. A schedule of payments will be provided for your convenience. Optional fundraisers may be available to those who would like to offset their player fees.

Those athletes who are selected to be part of a team are required to attend regular practices and all scheduled tournaments as a priority over all other sports activities. Playing at this level may include additional travel expenses, such as meals, transportation and hotel stays, which will be the responsibility of each family in addition to the player fees. Depending on the age group of your daughter, you may be offered to attend college showcase events. Showcases are optional to attend and all costs associated with the showcase are the player's responsibility.

Participation in the Pittsburgh Predator Softball program during tryouts, training and tournaments carries a risk of possible injury. Each individual is responsible for their own personal health, by providing adequate medical insurance coverage, conducting themselves in a safe and prudent manner at all times, following all written and/or verbal instructions and refraining from all dangerous and disruptive activity that could endanger yourself or any other group member.

Please fill out the attached application in full and also sign and date and return to the team representative prior to tryouts and thank you for your interest in the Pittsburgh Predators Softball organization.
