

Annual Conference – October 10, 2019
Courtyard by Marriott
1080 28th Ave S, Moorhead, MN 56560

Welcome! We are so excited to offer paralegals of the Red River Valley an opportunity to come together and learn from some excellent professionals. Take a peek at the enclosed agenda to get an idea of the day's events and make sure to watch our Facebook page for additional information.

Please mail your completed registration form and payment to RRVPA, c/o Rachel Meske, PO Box 10606, Fargo, ND 58106, on or before **October 4, 2019**.

Please register as soon as possible to allow us enough time to prepare written materials and send a final head count to the venue. If you have any special dietary needs, please note this on your registration form and we will do our best to meet your needs.

Costs of refreshments, lunch, and written materials are included as part of your registration fee.

Door prizes will be drawn throughout the conference (must be present to win).

This seminar meets the requirements of the NALA Certifying Board for Paralegals for continuing legal education (CLE) credit required to maintain the Certified Paralegal (CP) credential and has been approved for five hours of CLE credit, including one hour of ethics. Attorneys may apply to the ND and MN State Bar Commission for CLE credit.

Lastly, we want YOU to determine which organization RRVPA will support this year as part of our commitment to giving back to our communities (see registration):

1. North Dakota Boys and Girls Ranch Foundation – Helping at-risk children and their families succeed and achieve greater success in life. They help the most troubled, complicated and amazing kids by providing best-in-class psychiatric therapy and trauma-informed care, where they look kids in the eye, walk with them, and help them become their best selves.
2. Special Olympics North Dakota – Dedicated to empowering individuals with intellectual disabilities to become physically fit, productive, and respected members of our community through sports training and competition. SOND offers children and adults with intellectual disabilities year-round training and competition in 15 Olympic-type sports. Through the power of sports, people with intellectual disabilities discover new strengths and abilities, skills and success.
