## Report of Officers

Commodore:

Bridgette Carroll

Hi all! Happy New Year!

As you may have noticed that the last two storms have severely damaged our pier. Rest assured that the board will work with the Port and contractors to see what it will take to repair the damage.

Other than that, I am looking forward to being your Commodore this year!

Thanks for all your support!

A great time was had by all at our annual Installation Dinner Dance. Thanks to my helpers Margarita Torres and Gail Dekreon, without their help I would not have been able to pull this event off. Thanks to my decorating crew members Marcia Lake, Mike Read, Walter Knoepfel, Margarita Torres (what a rock star), Vickie Van Winkle, John Horton & Melissa Clarkson. Thanks to Mary Anne Arzave for handing out her delicious salsa as a party favor and to our Photographer for the evening Martha Bella. Finally, thanks Rudy Bella for being our Master of Ceremonies.

Vice Commodore:

Patrick Maples

Happy New Year everybody!

I hope everybody enjoyed the Holiday season as much as I did, I was able to travel up to Oregon and visit with family and friends, it was nice to get away. The installation Dinner this year was a blast! I was completely surprised when our Commodore Bridget Carrol presented me with the Member of The Year Award. I really put a thousand percent into this club, and I am truly honored and humbled by the award, having said that, we are already cruising into February, unbelievable how time just flies by! We had a great turnout for our annual Superbowl Party/Potluck, although the game wasn't the greatest, we had lots of yummy food and everybody had a great time. On to business, we had to replace the "chill box" that keeps the beer lines cold from the walk in cooler to the beer taps, and I must admit, this was long overdue, not only are all the tap beers ICE COLD (I set it that way) they pour perfect every time, so next time you're at the club, try an ice cold one on me, you'll be glad you did. Also new to the tap beer lineup, I have added STELLA ARTOIS Belgian pilsner. We have some tasty tequilas as well behind the bar that I encourage you all to try, first up there is Casamigos Reposado, 100% Agave Azul (George Clooney's award-winning tequila), 2nd is Herradura Ultra Anejo, and finally one of my new favorites, Mi CAMPO Reposado, 100% De Agave, aged in WINE BARRELS! In the Whiskey dept. we have the Jameson Irish Whiskey aged and finished in BEER BARRELS! We have both flavors, the STOUT and the IPA. I encourage you all to give these different flavors a try, In the Wine dept, I have temporarily added a glorious Rose, "Billette". Give it a try and let me know what you think, your feedback is MUCH appreciated. I am looking forward to a great year, and I hope to see you here at YOUR CLUB soon! Stay thirsty my friends.

Cheers!

## Secretary: Joni Sperow

Happy 2019 Yachties. This year we are hitting the ground running.

I would like to start the year by thanking people for their help. This club is run by members, without volunteers this place simply will NOT work. The more you volunteer the better the club becomes and so will grow your love for this place.

***This club is run by members, without volunteers this place simply will NOT work.***

Thanks to all who attended the installation dinner. Once again thanks to my helpers Margarita, Rudy, Gail, Vickie, Melissa, Mike, John, Martha, Mary Anne & Walter you are my angels.

I have inherited the title of Webmaster. This has been challenging but I am slowly getting the hang of it. I want to thank Neil Maizlish, his help and knowledge have made my life much easier. Thanks for stepping up! Take a moment to check out our website [www.mhpyc.club](http://www.mhpyc.club). I have added our google calendar, it has all our events and it can be updated on the hop. Bartender's schedules will be added as I receive them. You can find pictures from recent events. I am doing my best to make this a go to source for club information. Your feedback is appreciated.

I have also inherited the title of Newsletter editor, publisher and reporter. I am very new to all of this and learning yet another new platform has proved challenging. I would love some volunteers. I don't need someone to take it over, rather, I would like anyone with experience doing newsletters to spend time with me to go over the process rather than having to poke through it the hard way. I am also looking for members interested in doing ad hoc write ups, taking pictures, proof reading, reporting on special events, introducing new members, writing about what's going on in the neighborhood and about the club in general. Please reach out to me if you can help me with any of this!

## Damage to our Dock

Saturday night before the Super Bowl our dock was severely damaged. During the storm the violent waves broke loose a large chunk of the wood dock across from us and our dock was destroyed. The missing half of our dock was found and is tied off across the way. We have filed an incident report with the Port and working on what your next steps will be.

Youth Sailing and Women on the water is being postponed for the month of February, as we don't have a dock to use to get the boats out. As we get information, we will pass it along to members.

We will be setting up a fund to repair the damage that was done. If you would like to donate to the Dock Fund you can drop off donations with the bartenders or mail them into the club. If you are mailing a check please put "Donation to Dock Fund" in the notes. We appreciate donations of any size.

Super Bowl Party was a great success. Thanks to the Brothers Maples and MaryAnne Azave for kicking butt in the kitchen. Special shout out to Chris Maples for pulling my Jalapeno Poppers before they burned.

We even had Girl Scout Cookies and Cigars!

The club was packed despite the lackluster game and crummy weather.

SO MUCH FOOD! THANKS FOR CONTRIBUTING!

## MEET THE MEMBERSHIP

DIRECTOR: CHRIS RUPRIGHT

I found out about the Club when my son entered kindergarten with member Jim Penny's son. Those kids are 21 now! When I retired from my law practice, 2 years ago, I started filling in as a bartender when there is an open shift. I grew up in Columbus, Ohio, during the Archie Griffin and Woody Hayes eras, and am a big Ohio State fan. Look at the club calendar on our website and come down when I'm behind the bar. I'll buy a drink for anyone I haven't met yet!
