

About Our University

The purpose of SLAY is to provide high quality training that promotes improved performance. We guarantee professionalism and a welcoming environment. Our curriculum is created and evaluated by higher education professionals. We strive to facilitate the development of positive and effective relationships among peers contributing to the making of well rounded citizens.

About Our Faculty/Staff

Our faculty and staff are members of the higher education community. We work with local college professors, college administrators and college staff members. Our faculty are experts in their fields.

SLAY Policy

Acceptance: Upon reading these policies and procedures and completion of registration form. Students will be accepted, and payment will be due immediately.

Ages: High school Juniors and Seniors

Attendance: Classes will start on time; we suggest students arrive 15 minutes prior to the class start time. Class will start with or without all students in attendance. We will not go over missed material; however, students are welcomed to still join us late without any interruption of the class already in session., students are welcomed to still join us late without any interruption of the class already in session.

Behavior Policy: SLAY respects all people no matter their race, ethnicity, sexual identity, religious affiliation or physical ability. Our faculty has D.E.I. certified training. We respect one another and expect respect in return. Should the need arise to deal with behavior issues and a resolution cannot be established the student will be terminated from the academy without a financial refund.

Canceling our Services: Should we decide that we are no longer able to provide services, we will give the student a 24-hour notice. If the student is asked to no longer attend our program due to behavior issues, we will follow the behavior policy. we reserve the right not to do business with families that are rude to our faculty and/or staff including our volunteers.

Complaints: If students have a complaint against the venue please speak with the director, Professor Starks personally. Should students have a complaint against the faculty please speak with the program manager, Sonja Elekhtaby.
