

	<b>POLICY P01: DISLOCATED WORKER ELIGIBILITY</b>
	<b>APPROVED: 10/28/2016 - NOW</b>
	<input checked="" type="checkbox"/> <b>NEW</b> <input type="checkbox"/> <b>REVISED</b>

**PURPOSE**

To convey expectations for the enrollment of dislocated workers into services funded under Title I of the Workforce Innovation and Opportunity Act (WIOA).

**POLICY**

In order to support Oregon’s approach to integrated service delivery, eligible dislocated workers who come to physical one-stop centers will be co-enrolled into the WIOA Wagner-Peyser and Title I Adult programs in order to provide these customers with an assessment of their skills and attractive services that will enhance their skills as part of their job search efforts.

Eligible Dislocated Worker must meet the criteria as defined below. In regard to the eligibility condition that requires individuals to be “unlikely to return to their previous industry or occupation”, the state has determined that due to the economy and high state unemployment rate, all eligible registrants who are unemployed and who have been laid off from their jobs are deemed unlikely to return to their previous industry or occupation, as documented in Oregon Joint Policy 03-20 Revision 2.

Workforce professionals will utilize definition of Dislocated Worker and the WorkSource Oregon Management Information System (WOMIS) Customer Registration System to register, determine eligibility, and initiate participation of dislocated workers based on self-attestation as described in joint policy 03-20 revision 2.

Documentation of certain participant eligibility elements must occur prior to an Individual Career Service, a Support Service or a Training Service being delivered to eligible dislocated workers as defined in Oregon WIOA policy 134(c) Career and Training Services.
