Principal Report: Ronda Scott reported that Truman will get some Title 1 funds next year, working to identify the areas that would benefit all students and provide tools to assist in learning and additional resources. Feedback from the focus group is there are two different experiences at Truman depending on your background. There is also a plan for inclement weather for the graduation ceremony.

REPORTS OF EXECUTIVE BOARD

President: Christy Burton reported that prom went very well and Amy Davis put a lot of effort into it to make it really nice. The company that the marquee letters were rented from is Alpha Lit for future needs and they were very good to work with. Suggested to next year's board to make the Senior yard signs a fundraiser. The by laws have been submitted to the state and should be good for 3 years. The storage space is the cage and would still like to clean out and get rid of old stuff and get the prom decorations in. There is still lots of apparel that can be sold. Christy will get the iPads to Andrea for next year. Christy gave special thanks to the board members for making the best out of a tough situation to restructure how the Truman Patriots Club functions. Everyone did a great job!

Fundraising: Hillary Brown no report.
