

JUNE

Welcome Back!

We've had a great few weeks back to school welcoming both new and old friends back to the center. Our teachers and staff have been working diligently to keep things sanitized and disinfected, and we are still well stocked on all PPE & cleaning supplies.

Announcements & Reminders

- Please remember to send your child's blanket and cot sheet every Monday. We will keep them here for the week and send them home on Fridays to be washed.
- Please make sure your child has sunscreen here at school. If you aren't sure, feel free to give us a call or send a message in the app, and we'll be happy to check for you.
- Please remember that we have a "no toy" policy here at school. Small stuffed animals are permitted for nap time, but please try to limit additional toys that come in.
- Summer camp children are permitted to bring electronic tablets for their allotted screen time.
- Fridays will be Show & Tell days where camp children can bring in a special toy item.

Father's Day Celebrations

Calling all dads! We want to celebrate YOU! Since we can't have our annual "Donuts with Dad" breakfast this year, we'll have drive-thru donuts for you! Make sure you drop off Friday, the 19th and we will give you a donut for the road!

MOM!

For those of you that have not returned to school yet, we'll have Father's Day porch packages available for pick up Thursday, June 18th from 10-2. You can pick up a special craft to do at home for dad!

Save the Date!

June 18th: Father's Day Porch Package
Pick Up 10-2

June 19th: Father's Day Drive Thru Donut
Breakfast

July 3rd: ATP Closed! Happy 4th!

July 31st: ATP Closed-Teacher Work Day

Keep cool with this tasty treat!

FROZEN YOGURT FRUIT BARK

- 1 large container of vanilla Greek yogurt
 - 2 cups chopped fruit (your preference)
1. Line a baking sheet with a piece of parchment paper
 2. Pour the yogurt on to the baking sheet and spread until even.
 3. Sprinkle the chopped fruit over the yogurt and freeze for 3-4 hours.
 4. Slice up the frozen bark

ENJOY!

DROP OFF & PICK UP REMINDERS

- At drop off, if you have two children, please assist us with getting one child out of the car to help us move through the process a bit faster.
- When picking up, please call when you are 2-5 minutes out from the center to give us time to gather your child and their belongings.
- Please be patient in the afternoons as we have several times where mass pick up takes place. In order to help us move through this process faster, please get out of your vehicle and let us hand your child off to you to be buckled by you.
- When you call for pick up, please let us know then if there are particular items that need to go home for the day. As a general rule of thumb, water bottles will be sent home daily and blankets and sheets will be sent home every Friday unless otherwise specified by you.
- Please make sure all children and staff have cleared your vehicle before pulling away.

THANK YOU!

Teacher of the Month!

June:

Shelby Spears

Though Shelby wasn't with us long before our temporary closure due to COVID-19, she quickly became a part of the ATP family. While closed, Shelby worked hard to stay connected with the kids in her class, even delivering Easter baskets to front doors if possible. We're excited for what's ahead and what is sure to be a fun summer in Little buds!

CONGRATULATIONS!
