TO STUDENT: The recommended practice time is 20 minutes per day 7 days per week. Your parent MUST sign the practice record each grading period in order to receive credit. You must practice a total of 980 minutes this nine weeks to receive 100% of the practice record grade. Students who take private lessons from a QUALIFIED TEACHER may substitute minutes practiced with a signature from the private teacher.

TO PARENT: Please encourage your student to practice at least the minimum time per week. This is necessary for each student to carry his/her part in band. Individual practice is crucial to the success of all McCleskey instrumental ensembles. Please sign the form and hold your child accountable for his/her practice time.

Due to difficulty in transporting instruments, French horn, baritone, and tuba players are required to practice half the assigned time and may come to the bandroom before homeroom to practice.

Students are expected to turn in practice records on time.

This practice record is due Monday, October 1.
