Hello,

We are currently in the process of registering Vendors for our 5th Annual, 2019 **Air & Auto Extravaganza** which is scheduled for **June 8, 2019**.

This annual event is expected to draw over **2,500 people** from across the region (and beyond) and the Hangar Village Market offers a unique outdoor shopping experience which has proven to be a highly desirable feature among our attendees.

The **Hangar Village Market** will be bigger than ever in 2019, with many shopping locations. Hangers will feature products and services for aviation, home and outdoor enthusiasts.

Please have a look at the attached **2019 Vendor & Exhibitor Information Letter** which contains the details you need to register for our event. We look forward to your participation, and hope you will consider purchasing one or more tables at the Hangar Village Market which is expected, once again, to be one of the most popular features of the 2019 Air & Auto Extravaganza.

This is an event run entirely by volunteers, with a focus on the growth and revitalization of the Warton Keppel International Airport. Your involvement in this event will contribute to supporting and maintaining a very important community asset – your airport.

Please give us a call if you have any questions:
