

I've Been Set Free

I've been set free, don't weep for me,
God's beauty is all I can see
Don't weep or cry, just maybe a sigh,
for the joy you brought to my life
When I first heard Him call
I knew I must leave it all
Don't cry or hide, I'm by His side,
forever there I will abide.

Don't grieve for me, I wanted to be,
near the One who died for me.
T'was time to depart, make a new start,
He wanted me next to His heart
I have gone to the Lord
His love and joy my reward
My heart is light, heaven in sight,
my soul full of God's delight.

Don't weep for me, He wants you to be,
full of joy, love, and yes peace
Don't sorrow too much, no need to clutch,
forever I'll have your last touch
I remember your face
As dear to me as His grace
Don't shed a tear, I'm past all my fear,
My Lord is now who I'm near.
