## Security Measures

Each library user must present his/her own card when checking out materials or accessing public computers. **Each patron is responsible for all items checked out to their account; if you lose your card, please contact the library immediately to have it replaced.**

The board of directors has banned weapons on library property and anywhere within the buildings.

We care about the safety of your children. All children under the age of **eight** must be supervised by an adult in the library at all times. In the event that minors are left unattended at closing time, it is library policy that library employees contact law enforcement.

The library is not responsible for any items left unattended.
