

**ADDIE LACEWELL
NVHS BOOSTER CLUB FEATURED WINTER SEASON ATHLETE
CHEERLEADING PROGRAM**

Booster Club Reporter: When did you start playing your sport/how did you get introduced to it?

Addie Lacewell: I was introduced to gymnastics at three years old. I competed for seven years and finished as a level 8 gymnast before I began All-Star Cheer. I've been cheering since I was 12 years old.

Booster Club Reporter: Do you play any other sports?

Addie Lacewell: Yes, I ran track at Neuqua for three years and went to State in the Triple Jump my Junior year.

Booster Club Reporter: What has your sport taught you/what lessons have you pulled from it?

Addie Lacewell: I've learned many things: discipline, dedication, commitment, and time management just to name a few. However, the greatest lesson I have taken away from being on a team at Neuqua, is the importance of collaboration, tolerance and respect.

Booster Club Reporter: What do you wish you knew when you were just starting?

Addie Lacewell: These girls will be your best friends, I promise.

Booster Club Reporter: What quote/inspiration do you resort to when things get really hard?

Addie Lacewell: "There should be no boundaries to human endeavor. However bad, life may seem, while there is life, there is hope." -Stephen Hawking... or " Try not. Do or do not. There is no try." -Yoda

Booster Club Reporter: Share something about you that isn't well known.

Addie Lacewell: I have a vast knowledge of serial killers as well as an absurd amount of movie trivia.

Booster Club Reporter: Where do you go from here? College plans?

Addie Lacewell: I will be attending the University of Oregon on an acrobatics and tumbling scholarship and plan on double majoring in history and cinema studies. Eventually, I might like to attend law school.

Booster Club Reporter: Do you have a role model?

Addie Lacewell: My mom... and Meryl Streep.
