Why CDLC?

Commitment. Our staff is committed to assisting you in selecting the course that will provide you with growth and development to ensure your success at school and on-the-job. We will get you on the right path!

Dedication. Our instructors are dedicated to training drivers that are safe and respectful to the public that share the road with them. We will provide you the quality training in newer equipment. We keep the class size small so that each student has the ability for one-on-one training with our instructors and have the comfort to ask any questions that may arise.

Allegiance. Most of all, we pledge our allegiance to assist you in the proper placement of a job that satisfies both your personal and financial needs. Robby will connect you with a variety of opportunities to assure success in your new career. We pledge this for the life of your career, no matter what!
