

2019 BC-15 MD

BY BCROASTERS.COM

The BC-14 MD is a great for production roasting for the wholesale or retail coffee business. It can roast from 3lb. to 14lb. per roast and up to 4-5 roasts per hour. It will roast well over 400lb. per day. It has all the features most companies charge extra for built into the base price. No extra options to pay for. The 2018 model comes with the advanced and precise airflow control via the MDDS (manual damper) system & many new safety features. Solid heavy-duty stainless steel drum and built in profiling system for BT & ET. Direct-Connect chaff unit for efficiency & reduced footprint. Comes in choice of Natural or LPG (propane) gas. **Now in choice of Single or Double Wall models!**
