Blair Yount read the minutes from the last meeting. Tom Dill moved acceptance and Jim Buchanan 2nd. The motion passed.

Karen Dean provided the financial statement with copies to all present. She introduced a new format and explained it is still under development. Balances for May 2016 are, General \$1264.71, HIO \$1128, Match Play \$380. Livingston Kelley moved acceptance and Gayle Murdock 2nd. The motion passed.

A Texas Scramble was going to be played at last weeks play at Waynesville. Since Match Play contests were played, a Scramble could not. Scrambles will have to wait until Match Play is over.

Livingston Kelley reported he will soon have 2 new members. Blair Yount asked about the High School golf team members joining the club. Tony Stiers had just received 10 applications from the high school coach. They will be junior members of the JCGC. They will pay JCGC NO membership fees, but can play with the club. They will also be members of CGA.

Tony Steirs gave a report on last Mondays Match Play results. They will be posted on the web site.

There was a 30 minute discussion about slow play. There is concern that the courses we play may not give us tee times or reduced rates. There were several suggestions including: how to pair; recording start, turn, and finish time; talking to slow pokes; and letters to slow pokes. This discussion will continue.

Lloyd Eargle questioned the 95 rule (age + hands cap = 95, play from senior tee). Most agreed that it isn't fair, but what to do. This discussion will continue.

Livingston moved that the club make 1st Presbyterian Church our permanent meeting place. Lloyd Eargle 2nd and the motion carried.

Lloyd Eargle moved the meeting adjourn, Tom Tabor 2nd. The meeting adjourned at 8:35 PM. The next meeting will be June 23 at 7 PM.
