Conference Schedule

Session 1	Session 1: Differentiation that Works with Standards This session will show you how to teach a single set of STANDARDS to a DIVERSE group of students! AND it will show you how to help ALL of your students improve their performance on the State Assessments. Every strategy in this seminar has been proven to work at all grade levels and with all class sizes. If you struggle to meet the needs of both your advanced students and your struggling students in ONE classroom... THIS is the seminar for you!
Session 2	Session 2: Differentiation without the STRESS Most teachers try differentiated instruction once and then stop. They stop because they feel overwhelmed and stressed due to the extra work and time that they believe differentiated instruction requires. This session will show you SIMPLE ways to meet the needs of all of your students without becoming overwhelmed or stressed in the process!
Session 3	Session 3: Strategies and Technology Tools that Work This session will give any teacher a step-by-step plan to meet the needs of all students in their classroom. PLUS it will show you the latest technology tools that schools around the country are using to help ALL students be successful. When was the last time you walked away from a seminar with dozens of strategies you could implement the very next day? Don't miss this chance to learn from "America's Best Teacher Trainer" Pat Quinn!

About the Presenter:

Pat Quinn is the nation's leading expert on implementing Outstanding Full Class Instruction and the author of the nation's most popular newsletter on RTI. Mr. Quinn's bestselling book, *Maximum Tier One: Improving Full Class Instruction*, has been used by schools across the country as a guide to making classrooms more responsive and student-centered. Pat Quinn has earned his reputation as "America's Best Teacher Trainer" because teachers LOVE his presentations and actually IMPLEMENT the strategies he recommends.
