Noon Exchange Club of Garland

Covid-19 has not kept the club from continuing with business and serving the community. The board met virtually on the 4th. Three additional Garland fire stations were treated to Labellas pizza on the 9th. This week, the Youth of the Year winner was selected. Congratulations to Noah Escobado from Rowlett High School.

The club will resume weekly Wednesday lunch meetings in June at LaBellas for those who feel comfortable practicing proper social distancing.

Enjoy Memorial Day and stay safe.
