

### Word from the Bridge, Commodore Skip Laird

We are well into the sailing season - I hope you all are enjoying the club and its events. This past weekend Karen Kohler got the annual raft-out rescheduled and it was a great event to be part of. Keep an eye on the club communications for more great events to come. (Newsletter, Web Page, and Facebook). I wanted to thank all who helped out and came to our dinner with the community's First Responders. It was an idea that I had for a philanthropic activity for the club and the membership took it and ran with it. I was so happy with the results and I think that those in attendance had a good time. Thanks to

Joe Ewing for the night's food, Cynthia Defibaugh and Pat Tynan for reaching out to invite the First Responders and to the membership who came and made them feel welcome.

Moving forward: I have appointed the nominating committee of Bill Monsma (CH), Bill Young and Pete Breidenbach. Thank you gentlemen for your service. If you are interested in serving as, or have a nomination for, a Flag Officer or Trustee let one of them know. The Club is what the members make it and functions only with your participation.

Thanks to Jonathan Eckels and his contacts in the flag making industry, we now have another batch of ILYC Burgees. If you would like to have one for your favorite boat, they can be purchased from me at the club for the significantly discounted price of \$20.00. Get yours today!!

Again please review the club website and Facebook page and the Yachting Yarns so you are up to date on all the great events on the schedule, don't miss out on the festivities and camaraderie.

Cheers, SKIP <u>s77911@gmail.com</u>

> **Note:** Complete 2018 Club Calendar, Race Duty Schedule, and club leadership contacts are posted at end of this newsletter

### 2018 Adult Sailing Class

ILYC's **3<sup>rd</sup> annual adult sailing class** wrapped up on June 30<sup>th</sup> with 7 enthusiastic students completing the course. All the students were new to sailing and embraced the learning process as they took the helm under the guidance of experienced skippers. I would like to thank **Chip Wood, Pat Tynan & Jonathan Eckels** for **volunteering their Saturday mornings as well as their boats** to make the program a fun and safe learning experience for our students. Thanks also to Cynthia Defibaugh for her help in promoting the program. If you know of anyone who is interested in learning to sail suggest they join our next class!

Barb Dillon Adult Sailing Program

### **Rafting Out was another fulfilling event**

Thank you Karen Kohler for organizing the rafting out again this year. Good Job.

## LOW COUNTRY SEAFOOD BOIL FAST APPROACHING!

August 18

## The Cruiser Fleet's Annual Low Country Seafood Boil is Saturday, August 18th at 6 o'clock.

We plan enough food for 80 people. Coming early should get you a seat at the table! The cost this year is \$12 per person with children age 8 and under free. Remember! This is "finger food" so plates and flatware are not needed. We'll have some lemonade available. If you would like anything stronger, it's BYOB.

### A Little History

The origins of the low country boil differ depending on who you ask. The only agreed-upon detail is that it was invented sometime in the 1960s in South Carolina. One of the stories claims that shrimpers in Beaufort, South Carolina were low on food, so one of the men threw everything they had -- potatoes, sausage, corn and shrimp (we include mussels) -- into one pot and boiled everything together. The shrimpers then passed around the recipe to local restaurants.

A more widely accepted version is that the low country boil was created by Richard Gay when he was a National Guardsman trying to feed all the men in his unit. He took the recipe to his hometown of Frogmore on St. Helena Island and eventually built a seafood company around it. A Low Country Boil is still commonly referred to as Frogmore stew to this day.

### A Low Country Boil is traditionally spread out on brown paper covered tables. Simply picnic-style! Mark the date!

~The Cruiser Fleet

## The Thursday Evening Gatherings at the Club

We decided to have a TACO dinner on Thursday night and it was the largest turnout we have had all summer. There were 14 in attendance and we continue to welcome others to join. The time for the "dinner club" has moved to 6:30Pm to accommodate everyone. Contact Susan Holder (<u>swholder@qmail.com</u>) to get on the mailing list for the dinner. We meet every Thursday evening.

### AHOY MATIES

Save the Date on your Calendar.

## TALK LIKE A PIRATE PARTY

SATURDAY SEPTEMBER 22, 2018 WHERE INDIAN LAKE YACHT CLUB. DINNER AND ENTERTAINMENT

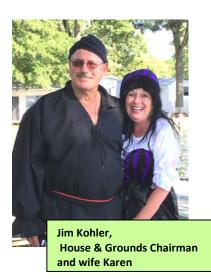

A Pirate Tasting Event By Prof Elliot Mac Far Lane. Dressed as a Pirate will be doing story telling, history Rum and Whisky Tastings

The Dinner will be Pirate Theme Appetizers Cannon Ball Bacon Water Chestnuts, crab Stuffed Mushrooms, and Pirate Swords Fresh Fruits. Dinner. Captain Crunch Chicken, Pirate Stew (Beef Tips). I hope to decorate the clubs Pontoon Boat into a make shift Pirate Ship. MORE DETAILS WILL BE COMING Should be a fun event at our ILYC SHIVER ME TIMBERS HOPE TO SEE YOU ALL. KEEP THE DATE SAVVY !!!!!!!

### Karen Kohler

## House & Grounds

Please return tools to the tool closet on the east side of the locker room and return beach toys to the drawers in the locker room

## Greetings from the Race Chairman, Pat Tynan

### ILYC 2018 Windward Series:

The weather did not cooperate for our first series. There seemed to be no middle ground, it was either blowing 20+ or not at all. However, we did have 6 Skippers that raced the minimum number (5) of races to qualify for the series. Congratulations to the following Skippers:

### Interlake:

Pat Tynan – First Place Bill Monsma – Second Place Dan Graf – Third Place Tim Fate – Fourth Place

### Highlander:

Barb Dillon – First Place Pete Breidenbach – Second Place

**Leeward Race Series** begins July 29 and finishes Sept 9. Please check the Race Duty Schedule at the end of this newsletter.

Sept 2Stouder Thompson Handicap RaceSept 14-16I-20 National Regatta

Questions? feel free to ask me See you at the Lake Pat Tynan <u>tynan1385@gmail.com</u>

Race Chairman, Pat Tynan, and wife, Jenny, Club Secretary

### 2018 Indian Lake Regatta

Indian Lake could not provide better Saturday weather for the start of the 2018 Interlake Regatta. Eleven boats and competitors set out in a fresh easterly breeze. Veering puffs to the left and later back to the right, had skippers and crews on their toes all afternoon.

After a false start, four races got off the line. At the end of the day four races were in the books. Ireland, Aspery and Morgan were the class of the fleet exchanging top finishes all afternoon. At the end of the day, Bridget Ireland held a slim lead. Unfortunately, Sunday did not bring pleasing sailing conditions so racing was skunked. Congratulations to Bridget, Nate and their son for a hard fought victory.

ILYC and Interlake Fleet 10 would like to thank the Joe Ewing and his committee for officiating the race and all the guests who joined us this weekend and the Saturday evening fish fry.

### Fleet Captain Chip Wood

Delicious fish fry on Saturday evening

Hey sailors, here is the <u>I20 regatta</u> video recap <u>https://player.vimeo.com/video/279659592</u> Brook

### From the ILYC Webmaster, Cynthia Defibaugh

Have You Looked At the Website Lately?

The ILYC website could be the first look at our club that a potential member may have. So, if we are going to put our "best foot forward," it is always best to review your particular fleet's section every once in awhile to make sure you are showing the best of your class boat! We have an I-20, Highlander, Interlake, Lightning, Hunter 23, and even an Ice Boating tab for people to view.

Why not consider updating, adding and expanding your page! Add a contact form for your class. Add some links to the page to

highlight regattas, or your class boat's manufacturer page. Consider updating the pictures or even advertising events! This is your page. Make the most of it and tell people why THIS boat, in YOUR words is the most fun, exciting, challenging... you add to the list. Personal stories tell more to a viewer than standard verbiage for a boat. I also invite other boat owners to submit something about their particular boat design (yes, cruisers, that means you) to let people see the variety of sailboats we have at our club. Each boat has its positives (and negatives) so why not share your experience?

Send me your information and let's see what excitement we can create for sailing

As always, I welcome your suggestions and comments.

Yours Aye, Cynthia Defibaugh

### **Dock Master** Dan Graf, dcgraf@bright.net

**Dock Boards** 

Dock Master and Yachting Yarns editor, Dan Graf and wife, Marlene

AL A

CH 4

When replacing dock boards, check the end grain. Put cupped side face down. The board will last longer. Four nails (one in each corner) will adequately secure to board.

These shore boxes appear to have been abandoned. Located in front of vacant docks #14 and #17. They will be destroyed August 15 if not claimed and moved. Shore boxes should be located in front of your dock.

## 2018 Member Handbook

is now available. See Jenny Tynan for your copy. Please review your contact information and notify her with any corrections.

Asking \$5,900.00

## Interlake Boat For Sale & Membership Promotion

The Interlake Fleet has purchased its' second Interlake to sell to a new member. The fleet was successful with this promotion last year in growing the fleet. Gwen and Brian Murray purchased Interlake 1285 and joined the club through the purchase/membership program that the Interlake Fleet has developed. The Murray's are looking forward to their second season at ILYC

This year's boat is in good condition and has just arrived at the club. In a few weeks it will be set up and ready for a new owner and club member. Take a look at it. It is sitting in front of the clubhouse. It is fully rigged with jib furler, flotation tanks, full cover and trailer.

## 2018 Officers & Committee Chairs

These are important volunteers who help make our club a great place for members, families, and guests. Please help out when asked. Contact them with your thoughts, questions and suggestions AND volunteer to help whenever possible.

December 11, 2018 Presentation of Citizen of the Year, Beautification and Volunteer of the Year awards. Installation of 2019 officers and Board of directors. Note this will be a Tuesday evening.

## **Indian Lake Guide**

## The History Of Indian Lake

Old Indian Lake was once just a small "kettle" lake. It once covered only about 640 acres, where today it covers 5800 acres. There were two more small natural lakes enclosed by Indian Lake called Bear Lake and Otter Lake.

Because of the proximity to the Miami River, Old Indian Lake became part of the largely overland Native American trade route linking the Ohio River to Lake Erie.

In 1851 to solve a water supply problem for the canal system, several canal feeder reservoirs were constructed. The Logan County feeder is formed by building a dam across the Miami River flooding an area of about 1,000 acres, including the original, 640 acre Indian Lake.

The work of enlarging the reservoir began in 1856 and was completed in 1860.

Lakeview became a Village in 1895 and served by the Toledo and Ohio Central Railroad began to grow as a resort town. Gradually a settlement began to form at Russells Point.

In 1898 The State of Ohio made the Lewistown Reservoir into a state park and renamed it to Indian Lake. At that point things began to flourish as hotels, restaurants and marinas were developed to accommodate the tourists. By 1911, Indian Lake had 21 hotels and resorts.

The first traveling Chautaugua Assembly came to the lake in 1910 which brought a large crowd and more hotels and cottages were then needed.

The Sandy Beach Park opened in 1924 by Lester Wilgus and his son at Russells Point. In August, the New York firm of John A. Miller-Salisbury Company, looking for a place to put in a "Million Dollar Park," acquired an interest in Sandy Beach to build an amusement park.

In 1931, after the building of a dance hall, the National Endurance Dance Marathon was held

at Indian Lake at the Amusement Park. The Dance Hall was named Minnewawa Dance Hall with two band stands, one of the largest in Ohio, it hosted all the big name bands of the pre-World War II years.

The Ohio Department of Natural Resources was created in 1949 and all canal feeder lakes were the first areas to be dedicated to their management. This added to the attraction of Indian Lake.

From 1957 to 1978, the Amusement Park and Indian Lake went into transition. The dance hall changed owners, new rules were made. High school and college summer partyers began bar fights and in 1961 there was a riot involving nearly 500 youths. By the summer of 1965 approximately 600 Ohio National Guardsmen were mobilized to restore peace to Russells Point.

Due to so many people coming to the lake for the amusement park and dance hall, the Indian Lake State Park Family campground was built on the north side of the lake in the mid 60's. The class A campground was an immediate hit, and it brought new people to the area. Many people loved the O'Connors Landing restaurant and lodge, however it was destroyed by an explosion and fire in 1985. Then everything was tore down and this area is now beautiful homes along the water.

In the late 80's life at Indian Lake began to transition as an area along S R. 235 from Russells Point to Old Field Beach was filled in and a bike path and picnicking area was established. New businesses such as Honda Transmissions and World Class Plastics opened in the early 90's. Currently there are over 450 businesses at Indian Lake. Today, Indian Lake is known for one of the cleanest waters in the State of Ohio, thanks to our Watershed Project.
