## Training & Quality Personnel

**L**exus Protection Services loss prevention officers must pass our own Loss Prevention Detective Training Course which consists of hands on/on location training by industry experts in addition to legal process training and report writing. Our officer selection criteria is of the highest standard and officers must pass a rigorous screening process and background investigation.

Our dedication to proper supervision and support as well as our job performance standards allows our clients to focus on their primary business.

We at Lexus Protection Services have a strong belief that each and every person on our staff is responsible for the success of our business as well as that of our clients. We strive to provide a pleasant and safe environment for all.
