3's Christmas Rotations
- **December 21, 2022**
2's W/Th Christmas Rotations
4's Christmas Rotations
- **December 23, 2022 through January 2, 2023**
No School—Christmas Break

Inclement Weather Policy

We follow the Charles County Public Schools for delays and closings. If schools are delayed 2 hours, the 3 & 4-year-old programs will begin at 11am and will end at 1pm as usual, the 2 year-old-program will be CLOSED. If schools are closed then the preschool is closed. Please watch or listen to the television or radio on questionable weather days and feel free to call the preschool number in the morning if you are not sure, 301-934-2289. You can also call the Charles Co. Public School hotline 301-934-7410.

WHEN YOUR CHILD IS ILL

If your child has a cold or fever, please keep him/her at home. We want to provide the healthiest environment possible at the preschool. If your child becomes ill during the preschool day, we are required to isolate him/her and we will telephone you so you can arrange to pick your child up.

We ask that you report any communicable disease (i.e. Covid, impetigo, strep, chicken pox, pinkeye, head lice, etc.) to the preschool. Please call the preschool to find out when your child may return to school. See the Family Handbook for more detailed information.

Scholastic Book Program

We want to thank all the families that purchase books through our Scholastic Book Program each month. Scholastic awards the school points for each item sold and we bank those points. This has enabled us to enhance our classroom book libraries, our Listening libraries and provide various classroom educational supplies from the Scholastic Teacher Bonus catalog.

MONTHLY TUITION PARENTS

Please use the tuition drop box located next to the entrance door of the preschool hallway.

Cash or checks, just include child's name!

Christmas Rotations—What Are They?

This is a fun event for the children, but very low key and parents do not usually attend because it happens in the middle of the preschool day (and it gives you those last child free moments to finish up your Christmas To Do List!). The adult leaders will rotate to their classrooms. Throughout the rotations, the children will get to make a special Christmas Tree Ornament, decorate and eat a Christmas Tree Brownie for snack, and hear the Christmas Story from Pastor Susan.
