

Hello My Friends!

I have some very exciting news to share with you! After four years away from my [Mustard Seed Communities \(MSC\)](#) family, I am BLESSED beyond belief to be going back to Jamaica on a "Family of God Mission Trip" from **May 20 – 27, 2023!**

MSC has been providing homes for children who have been abandoned on the streets and have debilitating disabilities for **over 40 YEARS** and I have been going down there to serve since 1997. We will be working on building and repair projects, playing with the kids and growing in our faith.

As we prepare our hearts for this journey, we are a little anxious and very **EXCITED!** We know as with any life-changing trip like

this, we cannot do it alone and the prayers of our friends and family are essential but with your support, this mission trip can become a reality. All info at: <https://mustardseedmissionaries.weebly.com/>

I have been asked to gather at least 30 prayer partners to pray for us during our trip (and before if possible). I prayed and asked God who to tell about this trip and He brought your name to me. I am writing to ask you to consider being one of my prayer partners. We bring a list of our prayer partners on the trip and pray for them each day.

Will you pray for us as we pray for you? Here are other ways to help:

Help make our **Mission Possible!**

- **We need your PRAYERS** - [Join our prayer team!](#) Will you pray for our group from **May 20-27th?**

- **We need your support FINANCIALLY** - Our group has a **goal of \$30,000** to raise and we know we can achieve this with your help. If you would like to donate, we have a [Venmo account @GoFISH-Outreach](#) or you can go to www.GoFISHOutreach.com for a link to donate thru paypal. You can also mail a check in the self-addressed envelope included. Go FISH Outreach is a 501-3c nonprofit and you can download a

tax donation letter at the website above. **This year I am making MSC greeting cards** to sell to raise more funds for our trip. I have included one with this letter and have lots more designs if you would like to purchase any to support this mission trip – contact me.

I realize that not everyone can go to MSC as a missionary - Some are called to go and others are called to pray and others are called to support the work financially. I hope that you will join me on this trip in some capacity and share in the blessings it will bring. Looking forward to the next time our paths cross!

May God Bless you abundantly for your kindness and support!
