

## Legal Disclaimer

Please read this legal statement before using any information on this web site:

### Disclaimer

The material presented on this page and all other pages on this site includes many results that have been obtained in a clinical setting, but do not yet have grounding in research under more controlled conditions. They must therefore be regarded as preliminary and experimental. The presentation of these results is intended for educational purposes, and to serve as a quick source of information to provoke the interest of researchers, doctors, and other health care professionals within the medical and naturopathic communities who are involved with these conditions.

Please read these terms of use carefully. If you proceed to use this site, you are agreeing to abide by these rules. The information on this web site is supplied for general educational and information purposes only. We try to ensure the accuracy of this information, but cannot guarantee that this information is accurate, and it is provided AS IS without warranty or guarantee of any kind, either express or implied, including but not limited to, implied warranty or merchantability, fitness for a particular purpose and/or no infringement. The information provided on this web site is general and not specific. The information contained on this site is not meant to substitute for medical care or treatment. The reader should never assume that this information applies to his or her specific situation without consulting his or her doctor or other competent medical professional.

### Not a Solicitation

This web site is not intended to be an advertisement or solicitation. The reader should not consider this information to be an invitation for a relationship and the reader should not rely on the information provided on this web site. We do not intend links on our web site to be referrals or endorsements of the linked entities. Private parties may, for noncommercial use only, make copies and share this information with those interested in Halotherapy.

### Not a Substitute for Medical Advice

Information on this site is provided for informational purposes and is not meant to substitute for the advice of your own physician or other medical professional. You should not use the information contained herein for diagnosing or treating a health problem or disease, or prescribing any medication. If you have or suspect that you have a medical problem, promptly contact your health care provider. Information and statements provided herein are not intended to diagnose, treat, cure, or prevent any disease.

### Limitation of Liability

In NO EVENT will The Saltuary, LLC shall be liable for any direct, indirect, special, incidental, or consequential damages arising out of any use of this website or any other website or materials linked to this website, including, without limitation, any lost profits, business interruption, or any other loss or damage of any kind, even if The Saltuary has been advised of the possibility of such damages. This liability limitation shall apply to the maximum extent permitted by any applicable law.
