

Fuel Prices by State

(cheapest to most expensive)

Since fuel taxes are paid quarterly based upon miles run, actual fuel prices are calculated by removing the fuel taxes. Your purchases will not change the fuel taxes owed. Therefore, you should purchase fuel at the lowest cost without taxes in the price.

State	Fuel Price	Taxes	Total Cost
NC	3.843	56.15	3.2815
OK	3.646	35.4	3.292
TX	3.682	38.3	3.299
