Dear Community Member:

Want to make a difference for a deserving family this Christmas? Participate in Project Self-Sufficiency's 2017 Adopt-a-Family Christmas program! We will match you with a family (or families) of a size you determine. We ask that you donate unwrapped gifts based on the family's wish list. The total value of the gifts should be based on the size of the family and what you are comfortable with financially. If you are unable to fully "adopt" a family but would still like to help, please consider donating gift cards, toys, or cash donations (which we will turn into gift cards).

We recommend you only adopt the number of families you can fully "adopt". This means buying several items for each member of the family based on their wish lists. Civic groups, church groups, neighborhood groups, and corporate groups are encouraged to participate. You will receive a family's "wish" list, not a "needs" list. You are not under any obligation to fill every item on the list. Please do not give cash as a gift to a client and please do not wrap the gifts. You are welcome to include wrapping paper and/or boxes for wrapping.

Next steps:

- 1) Please fill out the form and return it to us as soon as possible so we can match you with a family. Email is preferable but you can also mail it or drop it off at the Senior Center.
- 2) Shop and deliver the items to the PSS office by **Tuesday, December 19, 2017**. We are located at the Senior Center at 18041 Goldenwest St in Huntington Beach, CA. We are open Mon-Fri 9am-5pm. We are not open on weekends. If you can't drop off the items during those times, the Senior Center is open later. Please contact us for alternative arrangements.

Please note: Due to Project Self-Sufficiency's policies and procedures, PSS families will not have direct contact with the donor. We appreciate your understanding.

Thank you so much for your participation this year. Your continued support of Project Self-Sufficiency is vital to the success of our organization. Have a wonderful holiday season!
