A Community Action Partnership helping people, changing lives

Kinship Caregivers Support Program provides financial assistance to kinship caregivers (grandparents and relatives raising children) by assisting them to obtain resources necessary to help stabilize the family.

We can help pay for the cost of emergent needs incurred by grandparents or other relatives at the time a child(ren) comes to live with them. We can help purchase clothing, food, childcare, help with relocation cost, utility assistance, etc.

Ann Marie made a modest living, but only enough for herself. Anything left over at the end of the month was used to help cover her mother's care in the nursing home. How could she possibly financially care for her granddaughter who was now living in her home? Her savings were depleted yet she knew others were counting on her.
