We will also accept cash, checks and credit cards!

DID YOU KNOW THAT ...

- A healthy change of diapers for a baby costs approximately \$100 per month.
- Government assistance programs do not cover diapers.
- More than 5, 000 are needed everyday for families in Southern Arizona.
 - Keeping babies clean and dry support overall family wellness.
- Adequate hygiene supplies, such as adult briefs, enable Older adults to maintain their independence and dignity.
- Working families must provide disposable diapers for their children attending child care facilities.
