Congratulations goes to Heather-Heard-Davis on starting her new business- Ivy Soles. What are Ivy Soles? They are a combination of Foldable Flats, Personalized Slippers and Custom Flip Flops.

The good news is that Ivy Soles is featured in the December Issue of Essence Magazine's #BuyBlack Holiday Gift Guide (page 89 - #8). Her Ivy Flats are being highlighted. Ivy Flats are Foldable Flats for when you are standing in line, traveling, leaving church, or walking around the office. Wear your "Cute Killer Heels" when you are stepping out and slip on your Ivy Flats when your feet begin to hurt and you need immediate relief. Ivy Flats are flexible, foldable, compact shoes that will fit perfectly in your purse. They are considered to be your back up, your feet support, your just in case ... **YOUR EMERGENCY FLATS!!!!** They even come in a cute carrying case!

Not only is she featured in Essence Magazine, she has also been invited to New York by Essence to showcase Ivy Soles.

We are so proud of you and your accomplishments!

Love, Mom, Dad, Princess, Chelsea and Londynn
