

SEWER CONNECTION POLICY SINGLE FAMILY HOMES

The Town of Eclectic is required to locate sewer availability for all new residential sewer taps. This requires excavating at site location to locate existing sewer laterals. Tap fees and impact fees will be collected after sewer connection is made available for customer connection.

Any existing septic tanks that are to be bypassed for new sewer connection will be required to be filled and compacted to ground level at customer's expense.

A sewer clean out is required to be installed at connection point to towns sewer lateral.

Customer sewer connections are to be installed by a licensed plumber and are to be inspected by the Town of Eclectics ADEM Licensed Operator.

A complete copy of the Town of Eclectics Sewer Ordinances will be provided at customer's request.

SEWER CONNECTION POLICY COMMERICAL PROPERTIES

The Town of Eclectic is required to locate sewer availability for all new commercial sewer taps. This requires excavating at site location to locate existing sewer laterals. Tap fees and impact fees will be collected after sewer connection is made available for customer connection.

All restaurants will be required to install a minimum of a 500-gallon grease trap.

A sewer clean out is required to be installed at connection point to towns sewer lateral.

Customer sewer connections are to be installed by a licensed plumber and are to be inspected by the Town of Eclectics ADEM Licensed Operator.

A complete copy of the Town of Eclectics Sewer Ordinances will be provided at customer's request.
