

Bob Babetski closes out the 50/50 season with his 2nd win of the year and repeats with #50. This is Bob's fifth win overall and 4th in the last 3 years.
Congrats to Dan Price for his week 19 win with #26. It is Dan's sixth win overall and fourth with #26. The win moves Dan into a 18th place tie for all time wins.
Wally Heda wasn't going to let Frank and Larry Thiry have all of the 50/50 fun this year. Wally wins the week 18 drawing with #92 and returns the winning # string back to the higher digits. This is Wally's tenth win overall and slides him into a 3rd place tie with his partner.
Congrats to Jim Rinaldi for hitting the week 17 drawing with #68. It is Jim's fifth overall win and 4th with #68. Jim has been on a 1x year roll with wins. His first win was in 2005, he then took 6 year winning hiatus to 2011 but has won a drawing every year since, except for 2013.
Frank Thiry, DGA returns to the 50/50 winner's podium with #32 in week 16. This is Frank's first win since 2011, but third consecutive win with #32. Overall, this is Frank's tenth win which moves him back into a 3rd place tie for total wins since 2003.
Bruce Rapp continue his streak of winning a 50/50 with the same number over and over. Bruce hit once again with #33 for his seventh win overall, which places him in a 5-way tie for 13th place all time. Bruce owns two numbers in the 50/50 but you wouldn't know it. His other number has never hit.
Congrats to Bob Babetski for winning the week 14 drawing. Bob hit with #50 which is the first time that #50 has hit since 2003. This is Bob's fourth win overall. Overall, there are still 13 numbers that have never hit the a Friday night drawing....
Like the leaderboard at the majors... we have a new leader. Congrats to Larry Thiry on winning for the twelfth time in 50/50 history. This is Larry's second win of the year, but first ever with #47. This is Larry's 4th number in the drawing which now completes the "grand slam". He's won with all four numbers that he owns in the drawings.
Congrats to Dom Tucci for winning the week 12 drawing. Dom hit with #74 which continues the string of the higher #s hitting the jackpot. This is Dom's third win and continues his streak of winning once in each of the last three years.
Don't look now, but Greg Cavallo is on a streak. He hit the week 11 drawing with #51, and has now doubled his lifetime wins in a matter of 10 weeks. He has won four times since 2003 - twice each with #51 and #90.
Ed Korleski keeps the string of high number winners. Ed wins in week 10 with #78. It is Ed's ninth win since 2003 and places him in a 9th place tie all time. His last win was in 2013 also with #78.
Two consecutive weeks of "out of state" winners. This time we are going south as Des Sinclair hit with #13 in week 9. It is Des' 8th win since 2003 and he is now in a 4-way tie for 9th place overall.
Congrats to our first "north of the NJ border" winner. Doug Conway hits with #98 and it is Doug's 98th win overall putting him in a 5-way tie for fourth place all time, but it is his 1st win as a Maine resident.
Congrats to the weekday round chairman, Rom Emma. Ron wins the week 7 drawing with #80. It's Ron's third win since 2003, and all of his wins have been spaced 3 years apart and all with #80.
A win in week 6 moves Larry Thiry up into a tie for 1st place with 11 wins since 2003. It is the fourth time #58 has hit and interestingly #58 seems to win every three years (2007, 2009, 2012, 2015)....will it be 2018 when #58 hits again?
A quarter of the way into the season and we have our 1st multiple winner. Jim Petronchak hits again but with #35. This is Jim's 8th win overall and moves him into a four-way tie for 8th place.
We have a 1st time winner in the 50/50 drawings. Congrats to Mansour Rismanchi for winning with #55 in his third season of membership in the DGA. It's also the first time that #55 has been the winning # since 2003.
No Winner in week 3 as one of the unassigned #s hit - #82. Perhaps a good sign for Gary Yusko once he becomes a full fledged member?
Two weeks into the drawings and perhaps there is a theme to the winning #s already. Greg Cavallo hits with #90 in week 2, which is only his 3rd win in his career. This win marks a winning streak for Greg as he also hit with #90 last year.
Congratulations to Jim Petronchak for getting the 2015 50/50 season jump started. Jim hit with #89 and it is his seventh win in his DGA tenure. #89 is a lucky charm for Jim as it accounts for 5 of his 7 wins. Jim moves into an 11th place tie for overall wins.
