**Parent Permission Form  
to Tryout for  
The Tomball Memorial Silver Stars**

I understand the commitment involved in my daughter becoming a Drill Team member at TMHS, and I do give my permission for her to do so. I understand that as a member of the team, she is expected to abide by the guidelines approved by the district. It is clear that she must attend all performances, which may occur throughout the year. It is also understood that her dance ability, effort, and discipline are all factors to be considered in making each performance.

I understand that my daughter must travel with the team to all contests, regional or nationals. I also release the school and district of all liability during the tryout clinic and tryout. I furthermore understand that this release is only good for the clinic and tryout, and a physical for my daughter is required before any participation occurs.
