

# EL SANTUARIO DE LOS POBLADORES

## DEDICATED TO THE MYSTERIES OF THE ROSARY

Our promise and dedication towards completing the Santuario in honor of Our Lady of Guadalupe and the Mysteries of the Rosary perseveres and each day brings us closer to its completion. An illustration of the Dedication Plaques will be presented in the parade for Labor Day to give everyone an image of how they look. The plaques will have a significant placement in the Santuario courtyard as you enter. This phase will begin in the spring of 2024.

This is a picture of the completed mission statue of St. Augustine. The life-size bronze depiction has temporarily been placed at the church in Antonito and will eventually be placed at the Santuario along with six additional mission statues. The process for the next mission statue will begin as entire donations are complete for each figure. We have volunteers actively seeking contributions for the remaining missions of Ortiz, San Rafael, Las Mesitas, San Miguel, and San Antonio.

In addition to the mission statues surrounding the Santuario and the statue of Our Lady Of Guadalupe and St. Juan Diego at the entrance, walkways will lead visitors to various areas of interest. The placement of new trees will also be available to contributors who are interested in dedicating a tree in memory of a family member similar to what now exists on the New Veterans Boulevard entering the Village of Conejos.

We want to acknowledge the generous contributions we have received to keep the project moving along and to local santero Chris Cisneros for his contribution of a beautiful carved depiction of Our Lady of Guadalupe that is on display in the middle of the courtyard. Your continued support and prayers are greatly appreciated. Tours will be available. Please call the church in advance, if possible. Thank You!

### MASS THEME

**Theme: Unshakable Fidelity**

In a rapidly changing world, many values are questioned. One of them is the lasting marriage commitment. There is no doubt that the outlook on marriage has changed with a changing culture. The patriarchal marriage pattern of the Bible is no longer our own. The point is: What can be changed in marriage and what constitutes its core that cannot be called into question? Our Lord's statement in today's Gospel: "What God has joined together, no human being must separate," is the rule Christians follow. The New Testament gives the Church the authority to make a few concessions that are pastorally necessary. Rather than going into the matter of complicated exceptions (ask any priest for literature!), let us meditate on the beauty of commitment, in other words, the reason why the law was made. Much depends on how one looks at the cherished value of freedom. For some, freedom claims unshakable fidelity; for others, freedom is incompatible with a definitive commitment. We should check which opinion is most in line with the dignity of the human person and assures the happiness of all involved, wife, husband, and children. Even more depends on what role love plays in one's life and on the art of keeping it exciting!

**-St. Joseph Sunday Missal**

### BIBLICAL COMMENTARY

**FIRST READING • Gn 2:18-24**

• [Man's Companion]

In this beautiful allegory that teaches the oneness of husband and wife, it is the man as God's coworker who gives a name (meaning) to all of creation, in particular to sex. "Rib" suggests that both male and female belong to the one human race. "Flesh" in the Bible can stand for the whole person. Hence, "become one flesh" refers to more than the physical union. It indicates also the total oneness of two persons. Notice that the author of this passage, who lived after the Babylonian exile, had a more advanced view on the dignity of the woman than many writers after him. He sees the woman as a suitable partner for the man, which clearly suggests equality. In today's Gospel our Lord refers to this passage. The Responsorial Psalm pictures an ideal marriage, one as it should be. Married people should never give up pursuing ideals!

**SECOND READING • Heb 2:9-11**

• [Christ Our Brother]

The next seven Sundays we will read from the Letter to the Hebrews. Its author writes for Christians of Jewish background. He wants to strengthen their faith and to encourage them to grow with the Christians of Gentile origin into Christian maturity. The author refers to many details of Jewish worship (e.g., the Jewish high priest officiating in the Jerusalem temple), which his readers were familiar with and we can understand only if we read our Bible. This passage describes what Jesus has done for us Christians. God made "the leader [Jesus Christ] to [our] salvation perfect" (that is, he made him achieve his goal to save us) through his suffering on the cross.
