

NOTICE
TO PERSON MAKING
A DECLARATION FOR MENTAL HEALTH TREATMENT

This is an important legal document. It creates a declaration for mental health treatment. Before signing this document, you should know these important facts:

This document allows you to make decisions in advance about three types of mental health treatment: psychotropic medication, electroconvulsive therapy, and short-term (up to 17 days) admission to a treatment facility. The instructions that you include in this declaration will be followed only if two physicians or a judge believes that you are incapable of making treatment decisions. Otherwise, you will be considered capable to give or withhold consent for the treatments.

You may also appoint a person as your attorney-in-fact to make these treatment decisions for you if you become incapable. The person you appoint has a duty to act consistent with your desires as stated in this document or, if your desires are not stated or otherwise made known to the attorney-in-fact, to act in a manner consistent with what the person in good faith believes to be in your best interest. For the appointment to be effective, the person you appoint must accept the appointment in writing. The person also has the right to withdraw from acting as your attorney-in-fact at any time.

This declaration will not be valid unless it is signed by you and by two qualified witnesses who are personally known to you and who are present when you sign or acknowledge your signature.

This document will continue in effect for a period of three years unless you become incapable of participating in mental health treatment decisions. If this occurs, the directive will continue in effect until you are no longer incapable.

You have the right to revoke this document in whole or in part at any time you have been determined by a physician to be capable of giving or withholding informed consent for mental health treatment. A revocation is effective when it is communicated to your attending physician in writing and is signed by you and a physician.

If there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

DECLARATION FOR MENTAL HEALTH TREATMENT

I, _____, being an adult of sound mind, willfully and voluntarily make this declaration for mental health treatment to be followed if it is determined by two physicians or the court that my ability to receive and evaluate information effectively or communicate decisions is impaired to such an extent that I lack the capacity to refuse or consent to mental health treatment. "Mental health treatment" means electroconvulsive therapy, psychotropic medication, and admission to and retention in a health care facility for up to 17 days for treatment of a mental illness

I understand that I may become incapable of giving or withholding informed consent for mental health treatment due to the symptoms of a diagnosed mental disorder. These symptoms may include:

- I consent to the administration of psychotropic medications.
- I consent to the administration of psychotropic medications except the following:

- I consent to the administration of only the following psychotropic medications:
- _____
- I do not consent to the administration of any psychotropic medications.

I consent to the administration of electroconvulsive treatment.

I do not consent to the administration of electroconvulsive treatment.

Conditions or limitations:

ADMISSION TO AND RETENTION IN FACILITY

If I become incapable of giving or withholding informed consent for mental health treatment, my wishes regarding admission to and retention in a health care facility for mental health treatment are as follows (check the option that applies):

I consent to being admitted to a health care facility for mental health treatment.
(This directive cannot, by law, provide consent to retain me in a facility for more than 17 days.)

I do not consent to being admitted to a health care facility for mental health treatment.

Conditions or limitations:

If my wishes are not expressed and are not otherwise known by my attorney -in-fact, my attorney -in-fact is to act in what he or she believes to be my best interest.
