Thank you for taking the time to read this. Your time and attention are greatly appreciated.

We are reaching out to the members of our Community.

We are known as the Cedar Ridge Fastbreak (H) ers Boost (H) ers Club. Our program is the Cedar Ridge Girls Basketball (ladyraiderbasketball.net). We are a successful girls' basketball program that is geared towards developing strong, successful, positive athletes. Our roster consists of girls from right out of Round Rock, Texas!!!

We are a 501(c) 3 non-profit organization that focuses on the girls in our basketball program. We assist in empowering these young women to become positive role-models, build-up their self-esteem, teach them the meaning of teamwork, and to become successful leaders in our community.

Since the basketball programs inception 7 years ago many of the young women have gone on to further their careers by going to some of the top colleges in the nation. There have also been a good number of those that have become fine upstanding citizens that contribute to our community. Throughout the years they have competed for and won district championships with the ultimate goal of competing in the State Championships.

We believe at Cedar Ridge Girls Basketball that hard work pays off. The mission is to teach these young women through dedication, teamwork, discipline and determination that anything is possible.

We are reaching out to businesses and members of our community asking for help so that we may continue our mission to put these young women into the best position to get to college or citizens in our community. When our season starts they are some of the busiest and expensive months. A lot of these young women come from single parent homes where money is tight, which means we try to help alleviate the stress that is incurred.

The Fastbreak(H)ers Booster(H)ers Club utilizes the “Banner Up” program to assist with the funding of our Lady Raider Girls Basketball Team. Your contribution to the program will assist in purchasing software and editing equipment, training equipment, playing gear for all four of our Lady Raider basketball teams, and some travel expenses.
