

Borderland State Park **Special Event**

259 Massapoag Ave, North Easton, MA
(508) 238-6566

Perseid Meteor Shower Observation Night Sunday, August 7th 2016 9:00PM - 11:00PM

Bring a blanket and/or lawn chair, telescope, hot chocolate and join park staff for the observation of the Perseid meteor shower. This is an annual meteor shower that is extremely regular in its timing and can potentially be visible for weeks in the late summer sky. The viewing will take place

in the field adjacent the parking lot next to the visitor center. Park will be open after hours only for those attending the program.

Special guest **Tim Barker Professor of Astronomy** at Wheaton College will be on hand to answer questions. Call for more information at 508-238-6566.
