HOW MANY? 12 blocks - - Must all be the same!

BACKGROUND? Any color. Use good quality 100% cotton.

TECHNIQUE: Pieced, Appliqued, Embroidered – whatever you choose. **NO Cheater Cloth! Fusible pieces must have edges finished with buttonhole, straight, or satin stitching.**

EMBELLISHMENTS: Buttons, charms, etc. should be put in a baggie and attached to each block with a safety pin. Why? So they can be attached after the project is quilted.

NAMES: Please pin your name on a piece of paper to each block. We love to know who made each one that we get.

QUALITY: Let us do our very best work for our participating quilters. We all benefit by this! Beginners can participate – it is a great opportunity to learn and get help from others if needed.

Blocks will be collected at the Monday, April 8, 2019 meeting. Please have all of your blocks together in a 2 gallon Ziploc baggie.

On Monday, April 22, 2019, you will receive 1 of your own blocks and 11 different ones.
