Here are some comments about Putting Kids First:

"I am a practicing attorney who just completed your Online co parenting class. I found the class information to be very enlightening and helpful. Your class should be taught to family law practitioners as well as their clients. I normally do not give praise to a class, but it is definitely deserved." - G. Smith

"Just a quick note to let you know that I sincerely appreciate being able to take the parenting class Online. I didn't have to wake up at the crack of dawn on a Saturday, arrange for childcare, or deal with a long drive. Moreover, I learned a lot and feel reassured that I am handling things well." - S. DeVeaux
