Each week we will have interesting conversations with equestrian filmmakers, artists and authors from around the world, discussing the nature and challenges, as well as the triumphs, of creating their work.

Ready to talk horses in film and the arts? Tune in each week and join your host, Julianne Neal, along with Lisa Diersen, Festival Founder & Director.

In the first episode, meet Lisa Diersen, festival Founder and Director, and learn about the festival's early days in Illinois and New York and the new move to the Kentucky Horse Park.
